<sup>1</sup> The General Fund Advance to the East Visalia Redevelopment Project area qualifies for the Health and Safety code 34171 G (2) exemption. The 2003 East Visalia Redevelopment Bonds refunded the 1990 East Visalia Redevelopment Bonds. These bonds were issued for various projects totaling \$12.7 million, of which, only \$4.7 million were funded from bond proceeds. (See 1990 Community Redevelopment Agency of the City of Visalia, East Visalia Project Area, Official Statement. "The Project") The projects could only be completed unless other monies, notably a General Fund loan, were paired with this debt offering. Further, the project area incurred \$140,688 of debt within 2 years of the formation of Visalia's redevelopment agency.

In addition, the amended East Visalia advance states:

**C. Acceleration Upon Default:**  
 At the option of the Holder of this Note, the payment of all principal and interest due in accordance with the terms of this Note will be accelerated and such principal shall be immediately due and payable, with notice and demand, upon occurrence of any of the following events of default, provided the same shall remain uncured for a period of fifteen (15) days following written notice to Borrower: a) failure to pay any installment of principal and interest when due; b) dissolution or termination of existence of Borrower. The Borrower, or the Visalia Redevelopment Agency, has been terminated; therefore, the advance is due and payable.
