## TARGET Search Warrant Catches Parolee and One Pound of Methamphetamine

September 12, 2013 - The Tulare Area Regional Gang Enforcement Team (TARGET) and the Visalia Police Department Narcotic Unit served a search warrant at 4611 W. Feemster, Visalia. During the search, agents seized approximately one pound of methamphetamine, \$14,133.00 in cash, scales, and packaging material.

Arrested at his home was 40 year old Martin Corrales who was the subject of the approximate one month investigation. Corrales is a northern gang member and on active CDC parole. Corrales was booked into the Tulare County Main jail on charges of possession of a controlled substance for sales and violation of parole.
