SUBJECT: Filing of Notice of Determination in Compliance with Section 21108 or 21152 of the Public Resources Code

State Clearinghouse Number (if submitted to State Clearinghouse): 2010081057

Project Title: City of Visalia Water Conservation Plant Upgrades Project

Project Location (include county): The proposed project would be located in the northwestern portion of Tulare County, about 2 miles west of the Visalia urban area. The plant improvements and recycled water conveyance system encompass about 110 total acres (about 100 acres of ground disturbance for plant upgrades and 10 acres for the recycled water conveyance system).

Project Description: The project would 1) improve wastewater treatment facilities at the City's existing water conservation plant and 2) develop the initial recycled water pipeline infrastructure for disposal and reuse of treated effluent generated by the plant.

This is to advise that City of Visalia
 Lead Agency or Responsible Agency has approved the above-described project on February 19, 2013
and has made the following determinations regarding the above-described project:

- 1. The project will will not have a significant effect on the environment.
- 2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
- 3. Mitigation measures were were not made a condition of the approval of the project.
- 4. A mitigation reporting or monitoring plan was was not adopted for this project.
- 5. A Statement of Overriding Considerations was was not adopted for this project.
- 6. Findings were were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the Negative Declaration, is available to the General Public at: 7579 Avenue 288, Visalia, CA 93277
