Comments related to Regular or Public Hearing Items listed on this agenda will be heard at the time the item is discussed or at the time the Public Hearing is opened for comment. The Council Members ask that you keep your comments brief and positive. Creative criticism, presented with appropriate courtesy, is welcome. The Council cannot legally discuss or take official action on citizen request items that are introduced tonight. In fairness to all who wish to speak tonight, each speaker from the public will be allowed three minutes (speaker timing lights mounted on the lectern will notify you with a flashing red light when your time has expired).
