Visalia PD reminds everyone that they can assist in preventing DUI's from ever occurring. If you are planning a gathering or celebration with alcohol included, or if you are out on the town, plan ahead and designate a non-drinking, sober driver. A DUI arrest costs upwards of \$10,000, time in jail, loss of your driver's license, and insurance rates that will skyrocket! These enforcement efforts are funded by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration. Remember, everyone is encouraged to help keep our roadways safe; Report Impaired Drivers – Call 911!
