DUI Checkpoint Nets 1 Arrest

Visalia, CA – Visalia Police Department Traffic Unit conducted a DUI/Driver's License checkpoint on 02/24/17, at Mineral King and Bridge between the hours of 6:00 p.m. and 12:00 a.m. Checkpoints are placed in locations that have the greatest opportunity for achieving drunk and drugged driving deterrence and provide the greatest safety for officers and the public.

High Visibility Enforcements, which include DUI/Driver's License checkpoints, have been shown to lower DUI deaths and injuries. A major component of these checkpoints are the deterrent effects it has on those who might drive alcohol or drug impaired, bringing about more awareness and encouraging everyone to use sober designated drivers.

Benjamin Van Ryn, 30 years old from Hanford, arrested for DUI

448 Vehicles Screened
1 DUI-Alcohol suspects arrested
10 Drivers cited/arrested for operating a vehicle unlicensed or while suspended/revoked
24 Citations issued

Drivers are encouraged to download the Designated Driver VIP, or "DDVIP," free mobile app for Android or iPhone. The DDVIP app helps find nearby bars and restaurants that feature free incentives for the designated sober driver, from free non-alcoholic drinks to free appetizers and more. The feature-packed app even has social media tie-ins and even a tab for the non-DD to call Uber, Lyft or Curb.

Studies of California drivers have shown that 30 percent of drivers in fatal crashes had one or more drugs in their systems. A study of active drivers showed more tested positive for drugs that may impair driving (14 percent) than did for alcohol (7.3 percent). Of the drugs, marijuana was most prevalent, at 7.4 percent, slightly more than alcohol.

Drivers caught driving impaired can expect the impact of a DUI arrest to include jail time, fines, fees, DUI classes, license suspension and other expenses that can exceed \$10,000 not to mention the embarrassment when friends and family find out.

Visalia PD will be conducting another DUI/Driver's License Checkpoint on Friday March 10th in our ongoing commitment to lowering deaths and injuries upon our streets and highways.
