Section 2: Recognition

The City recognizes and expressly acknowledges the Association as the exclusive collective bargaining representative and employee organization for employees covered by this Memorandum of Understanding, the employees in Group "B". Represented classifications for this group consist of Police Officer and Police Agent.

ARTICLE 3: CITY RIGHTS

As defined in the Visalia Municipal Code, Section 2.40.050, the rights of the City include, but are not limited to, the exclusive right to determine the mission of its constituent departments, commission and boards; set standards of service;

determine the procedures and standards of selection for employment and promotion; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means and personnel by which government operations are to be conducted; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work.

The City shall retain the above rights, except as expressly limited and set forth in writing in this agreement. Wherein a subject matter is covered by the agreement, the City will act in accordance with those sections.

ARTICLE 4: ASSOCIATION RIGHTS

Section 1: Payroll Deductions

The Association may have the regular dues deductions of its members (or service fees) deducted from employees' paychecks under procedures as follows:

The Association shall be granted permission by the City Manager to have the regular dues of its members deducted from their paychecks, in accordance with procedures prescribed herein. Remittance of the aggregate amount of all Association deductions made from salaries of employees within the unit shall normally be made to the Association and/or Teamsters Local 856 by the City within one (1) week of the date paychecks are issued.

Dues deduction shall be for a specified amount and shall be made only upon the written authorization of the member provided by the Association to the City. The Association shall be responsible for processing all dues-related paperwork, except for payroll-related processes.

The Association agrees to indemnify and hold the City harmless from any liabilities, which may arise as a result of an application of this Article. The request for deductions shall be made on City approved authorization cards in accordance with applicable state law. The Association will pay the appropriate City administrative fees for the payroll deductions as set forth in the City's rates and fees resolution approved by City Council.

Section 2: Employee Rights

As defined in the Visalia Municipal Code, Section 2.40.040, employees of the City shall have the right to form, join and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of employee relations including, but not limited to, wages, hours and other terms and conditions of employment. Employees of the City shall also have the right to refuse

to join or participate in the activities of the employee organizations and shall have the right to represent themselves individually in their employment relations with the City. No employee shall be interfered with, intimidated, restrained, coerced or discriminated against by the City or by any employee organizations because of the exercise of these rights.

Section 3: Advance Notice

Except in cases of emergency as provided in this subsection the Association, if affected, shall be given reasonable advance notice of ordinance, resolution, rule or regulation directly and primarily relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to meet with the appropriate management representatives. In cases of emergency, the City shall make its best effort to notify the Association on the first business day after the emergency.

Section 4: Release Time

City employees who are official representatives of the Association shall be given reasonable time off with pay (at the regular hourly rate of pay in all instances) to attend formal meet and confer sessions, grievance or discipline meeting with management representatives. The Association shall notify the Employee Relations Officer of the names of the employees who are official representatives of the Association. Such representatives shall notify their supervisors in writing on the first business day after a meeting has been scheduled of the dates of excused absences. This advance notice may be waived by the Employee Relations Officer. The number of employees excused for meet and confer sessions shall not exceed four (4). Time allowed off before and after scheduled negotiations shall be limited to two (2) hours respectively. Under no circumstances will overtime be paid for an employee's attendance at a negotiations session. Attendance at negotiations sessions that occur on an employee's day off or before or after regular work hours is strictly voluntary.

ARTICLE 5: DISCRIMINATION

The parties agree that no person employed or applying for employment shall be discriminated against because of race, color, religion, disability, medical condition, national origin, ancestry, marital status, gender, sexual orientation, or age, or any other non-merit factor, except where such is determined to be a bona fide occupational qualification.

Neither the City nor the Association shall interfere with, intimidate, coerce or discriminate against City employees who exercise their right to form, join or participate in the activities of the Association. Neither the City nor the Association shall interfere with, intimidate, coerce or discriminate against City employees

because they exercise their right not to form, join or participate in the activities of the Association.

ARTICLE 6: WAGES AND OTHER RELATED ISSUES

Section 1: Salaries & Wages

- A. Salary ranges for all unit classifications shall be increased by six (6%) percent effective with the pay period that includes July 1, 2024 or the pay period following formal Council approval, whichever is sooner
- B. Salary ranges for all unit classifications shall be increased by four (4%) percent effective with the pay period that includes July 1, 2025.
- C. Salary ranges for all unit classifications shall be increased by two (2%) percent effective with the pay period that includes July 1, 2026.

An additional 2%% salary increase will be added to the agreed upon 2% for fiscal year 2026/2027 if the City's General Fund Sales Tax Revenue for FY 25/26 is equal or greater than FY 22/23 Sales Tax of \$46.6 million. The final number will not be determined for FY 25/26 until all Sales Tax payments have been distributed to Cities with the final payment being in September 2026. If the Sales Tax is \$46.6 million or more, the City will add the additional 2% wage increase starting in the first pay period in October 2026.

During the term of the MOU, the City agrees that if any bargaining group receives more than the City Council approved base wage percentage increase that Group B receives for this current round of negotiations, the City will reopen negotiations to discuss base wages only.

Section 2: Merit Increases

The performance of each employee is reviewed annually, and overall performance and salary level shall be appraised, in detail. The merit of employee performance as reported on such appraisals will determine the salary increase to be given, if any. Across the board salary increases listed in Section 1 will not be subject to the merit process. Employees who are being compensated at the top of the salary range for their classification are not eligible to receive merit increases.

- A. Employees are eligible to receive up to a five percent (5%) increase per fiscal year based upon the merit of their performance. This merit increase consideration allows an individual employee's salary to increase within the range established for his/her job classification.
- B. The General Compensation Policy, as it relates to the timing of merit raises, applies to all employees, whether or not they belong to a bargaining unit.

Timing of merit raises is left to the discretion of the Department within the general bounds defined above, and in the General Compensation Policy. All other provisions of the General Compensation Policy shall apply to merit increases.

Section 3: Bilingual Pay

Association members are eligible for bilingual pay provided that they successfully demonstrate proficiency in a qualified foreign language. The City shall maintain and administer a testing process, previously established by the City and Association, based upon accepted industry standards that allow an Association member to demonstrate proficiency in the language as it is used in everyday practice. Bilingual pay shall be \$1,300 per year, calculated and paid bi-weekly as part of regular payroll. Currently, the qualifying languages are Spanish and the Laotian dialects of Hmong, Lahu and Mien.

Section 4: Specialty/Incentive Pay

Members of this group are eligible for specialty/incentive pay for certain specialty assignments or participation in certain units. Each assignment or transfer of any member of this group is made at the discretion of the Chief of Police. Either party shall have the right to request to meet and confer during the term of this agreement regarding an assignment rotation policy. For each of the following categories, each qualified group member assigned shall receive 2% of base wages, calculated and paid bi-weekly as part of regular payroll. No member shall receive more than two such specialty/incentive pays concurrently, regardless of the number of categories for which they qualify.

Specialty Assignment Qualifying Categories:

- Investigations/Detectives
- Youth Services/Juvenile Officer
- SWAT
- Field Training Program
- Bomb Squad
- Special Enforcement (Gang Detail/Narcotics)
- Range Master
- HOPE Team
- Field Training Program

In the event the sales tax trigger identified in Article 6, Section 1, Paragraph D of this MOU is met, the City agrees to reopen negotiations in year 3 of the contract on the sole item of specialty pay upon request of the Association.

Section 5: POST Certificate Pay

- A. Association members who hold and maintain their Intermediate POST Certificates will be compensated an additional 3% salary.
- B. An additional 2% salary (to a total of 5%) will be given to those Association members who hold and maintain their Advanced POST Certificates.

Section 6: Reimbursement of Allowed Expenses

Association members serving as Field Training Officers shall be eligible for reimbursement of expenses for one meal per shift while working with an officer in training on that shift. Such reimbursement shall be for the Field Training Officer's meal only, and the expense shall not exceed the dollar amount currently allowed by the City's per diem policy.

Section 7: Traffic Bureau (Motorcycle Patrol) Premium Pay

Association members assigned to the Traffic Bureau will receive 2% of base pay as premium pay. In recognition of the time spent maintaining their Department-issued motorcycle, they will be compensated an additional 2% of base wages. The City and the Association agree that they have considered the relevant facts and investigated the number of actual hours worked in maintaining their department-issued motorcycle, and the compensation reflects this.

Section 8: K-9 Premium Pay

Association members assigned to the K-9 unit shall be paid 2% of base pay as premium pay. In recognition of the time spent in the care and maintenance of the assigned canine, members will be paid an additional one-hundred and forty-two (142) hours of pay per year at their current hourly base rate, paid bi-weekly as part of regular payroll. Members shall be paid an additional 15 minutes per day at their current base rate when assigned by the Police Chief or designee to house multiple canines at the member's residence and only for newly purchased canines, coverage of handler long-term leave of absence, and/or transition between handlers. The City and the Association agree that they have considered the relevant facts and investigated the amount of actual hours worked in caring for a canine, and that the hours noted above are a reasonable number of hours for canine care.

Section 9: Longevity Pay

Association members are eligible for longevity pay based on complete years of full-time service with the City of Visalia as a percentage of base wages at the following intervals:

- 2.5% at 5+ years

- 2.5% at 10+ years
- 2.5% at 15+ years
- 2.5% at 20+ years

Prior full-time law enforcement officer experience may be counted toward years of service in determining longevity pay.

ARTICLE 7: DAYS AND HOURS OF WORK; OVERTIME

Section 1: Work Schedule

- A. Appointing Authority: The appointing authority shall fix the hours of work with due regard for the convenience of the public and laws of the State and the City. As established in previous memoranda of understanding with this group, the Visalia Police Department currently utilizes a “4-10” work schedule for many positions. This schedule may be evaluated at any time by the Chief of Police. The Chief of Police reserves the right to alter the schedule. If the schedule is altered, the Chief of Police will meet with and advise the Association of the reason and need for such an alteration. Pursuant to the Myers-Milias-Brown Act, the Association shall have the right to meet and confer over the effects to their members of any such scheduling change.
- B. Department training, and the time afforded for members to attend such training, shall be at the discretion of the Chief of Police or designee.
- C. The Chief of Police shall identify days or events on which compensatory time and vacation can be denied to Group B employees. These days or events will be designated as “unduly disruptive days.” There shall be a maximum of seven (7) unduly disruptive days per calendar year. Four of these days shall be identified by the Chief of Police by January 1st of each calendar year and the remaining three (3) days shall be identified as early as possible and no later than 30 days prior to the designated date or event. Employees who have been granted time off on an “unduly disruptive day” through the vacation selection process or prior to the time the selection is made by the Chief of Police shall be allowed to take that time off.

Section 2: Overtime

- A. Compensation of overtime will be calculated according to requirements of the Fair Labor Standards Act. Overtime shall be defined as the number of hours actually worked in excess of forty hours in the designated seven-day work week. (Refer to Section 3 of this article for additional terms regarding overtime compensation.) Overtime compensation may be in the form of pay, compensatory time, or flex time mutually agreed upon between the employee and his/her supervisor. The maximum compensatory time balance allowed is

120 hours. In all other respects, City of Visalia Personnel Policy #203 shall apply.

- B. Authorization: Supervisors approval to work overtime must be obtained prior to working overtime hours.

Section 3: On-Call/Call-Back/Standby Compensation

As provided for in City of Visalia Personnel Policy #205 – Call Back Policy:

- A. When an employee returns to work because of a department request made after the employee has completed his/her normal work shift, the employee shall be credited with two (2) hours of pay or two (2) hours of compensatory time off plus any hours of work in excess of two (2) hours in which the employee is continuously engaged in work for which he/she was called back. If scheduled call-back is canceled less than one hour from the scheduled start time of the call-back, the employee shall receive the minimum call-back of two (2) hours.
- B. "Call-back" time is overtime and shall be paid at time and one-half the standard hourly rate.
- C. The two-hour minimum shall apply only when an employee is required to physically return to work (e.g. Leave home or another off-duty location) in order to perform required duties. An employee who performs work after regular work hours, but who is not required to leave home, shall be compensated in accordance with overtime pay provisions.
- D. The City agrees to pay group members \$1,000 annually to compensate members for all situations in which they are placed in an on-call or stand-by condition for court (per On-Call/Standby Program – 1987). No additional overtime will be paid for any situation in which group members are placed on an on-call or stand-by condition for court. The On-Call/Standby allowance shall be paid on the pay period that includes July 1 of each year. This payment is made in advance for the upcoming 12-month period (July 1 – June 30).
- E. In addition to the stand-by pay provided in paragraph D, Association members assigned to the Investigations Division and Traffic Bureau shall be eligible for stand-by compensation equal to 15% of the individual officer's hourly rate for those hours specifically assigned to stand-by. For the purposes of this section, stand-by time shall be defined as off-duty time wherein an investigator is ordered by his/her manager or supervisor to remain available for call-back to work, is instructed to remain at home or otherwise immediately accessible, is instructed to be near a telephone, pager, or other

communications device, is instructed to refrain from the consumption of alcohol, and is placed on such stand-by for a specific period of time. If an Association member assigned to stand-by is actually called back to work, call-back compensation provisions shall apply and stand-by compensation shall cease for the duration of the time actually worked.

ARTICLE 8: ALLOWANCES FOR WORK RELATED EXPENDITURES

Section 1: Uniforms and Uniform Maintenance

- A. Association members shall receive an annual uniform allowance of \$1,100 for the provision and maintenance of appropriate uniforms and equipment. Association members are responsible for acquiring, cleaning and replacing uniforms as necessary. The annual uniform allowance is calculated and paid bi-weekly as part of regular payroll. The City shall replace department equipment and/or uniforms damaged while on duty, provided that the employee was in conformance with Visalia Police Department Policy 1046 regarding uniforms and professional appearance.

ARTICLE 9: EMPLOYEE BENEFITS AND RETIREMENT

Section 1: Medical/Dental/Vision

- A. Medical, Dental and Vision benefits (including employee co-payments) in place shall remain in effect at their current levels, except as modified each plan year or as required by the IRS to maintain an HSA qualifying High Deductible plan. All unit employees shall continue to contribute each month for Medical insurance in accordance with the current contribution rate schedule based on the selected plan and dependent coverage, taken as a bi-weekly payroll deduction.
- B. In addition to the Medical plan costs which are shared between the City and employees, the City currently pays the full cost for Dental, Vision, Group Life Insurance, and Employee Assistance Program benefits. The City reserves the right to make changes to these benefits each plan year after consultation with the EHBC.
- C. Group "B" members agree to share increases in future Medical plan costs over the current cost by up to fifty percent (50%). (Example: If the Medical plan annual renewal rate increase is 6%, the City's portion is 3% and the employee portion is 3%). In no case, however, will the employee cost sharing be increased more than 5% of the prior year's total Medical plan cost. (Example: If the Medical plan annual renewal rate increase is 11%, the City's portion is 6% and the employee portion is 5%). Any decreases to Medical plan costs will be shared in a like manner.

PPO/EPO Medical Plans

The employee portion of increased Medical plan costs will be distributed equally between employee and dependent health care contributions (premiums) for the PPO and EPO plans unless otherwise negotiated. Any decreases in employee Medical plan costs shall be applied in a like manner. (Example: The employee portion of the Medical plan annual renewal rate increase = 3%. Current monthly cost for PPO/EPO plan is \$1,700. At 3% the employee portion of the increase = \$51 per month. Distributed equally, employee premiums are increased \$25.50 per month and dependent premiums are increased \$25.50 per month.)

High Deductible Medical Plan

The employee portion of increased Medical plan costs will be distributed fully to the dependent health care contributions (premiums) for the High Deductible Medical plan unless otherwise negotiated. Any decreases in employee Medical plan costs shall be applied in a like manner.

- D. Group "B" agrees to participate in an Employee Health Benefits Committee (EHBC). The purpose of the EHBC is to cooperatively manage the City's Medical Benefits Plan by providing oversight on the plan's resources, remain fiscally sound, provide the best benefits available to employees given available resources, improve administration of the plan, and make appropriate recommendations for change as researched and considered by the Committee. The EHBC is made up of all bargaining groups and City management. The EHBC does not replace collective bargaining agreements. Employee representatives are only empowered to act to the extent authorized by their respective agreements.
- E. Increases in Medical plan costs may be offset via changes in the Medical plan benefits as confirmed by the plan's actuary, if agreed to by four (4) of the six (6) units (6 units includes 5 bargaining groups plus city management). In the event that approved plan changes exceed the employee cost increases, seventy-five percent (75%) of excess plan savings costs will be credited to the employees' contribution for Medical plan cost increases in the plan year in which the changes take effect
- F. In the event total Medical plan cost (annual renewal rate) increases in any one year exceed 10% of the prior year's total Medical care cost, the EHBC will be given the opportunity to make changes in the Medical plan to realize a maximum 10% overall increase (5% City and 5% employee). If agreement cannot be reached by the EHBC on cost saving changes by July 31st for the upcoming plan year, the City has the ability to determine and implement Medical plan changes to attempt to reduce plan increases to no more than 10%. After making such changes, the formula outlined in Section C will be applied to determine premium rates for the upcoming plan year.

- G. The current spouse of a retiree of this group that survives said retiree will, upon the death of the retiree, be allowed to maintain the Medical and vision coverage then afforded to retirees in accordance with the current contribution rate schedule, so long as the spouse was covered at the time of the retiree's death. The surviving spouse shall not be allowed to add new dependents to the coverage.
- H. The City will provide and maintain a Section 125 Flexible Spending Account (FSA) Program as defined by, and in compliance with, the Internal Revenue Code. Such plan shall allow Group "B" employees to take advantage of benefit tax deductions for insurance premiums, out-of-pocket medical expenses, dependent day care, and any other expense allowable under the plan.

All unit employees will automatically be enrolled to participate in the FSA, by having their employee health care contribution and dependent health care contribution run through this program as a pre-tax benefit, unless the employee specifically opts out of the program during the City's open enrollment period.

Section 2: California Public Employees Retirement System (PERS)

- A. For employees hired before February 26, 2011, the City shall maintain in effect the 3% @ 50 PERS Retirement Program with final compensation for PERS retirement purposes calculated based on the single highest earning year. All employees hired into Group B on or after February 26, 2011 will be covered in the 3% @ 55 PERS plan and final compensation for PERS retirement purposes will be calculated based on an average of the three highest earning years rather than on the single highest earning year. Employees hired on or after January 1, 2013 (who do not meet the definition of a CalPERS "classic" employee) will be covered in the 2.7% @ 57 PERS plan and final compensation for PERS retirement purposes will be calculated based on an average of the three highest earning years.
- B. Employees who meet the definition of a CalPERS classic employee will continue to contribute the full employee PERS contribution rate of 9%. These employees will pay an additional 3% retirement contribution as cost sharing of the employer contribution, for a total of 12%; however, the employee's total contribution will not exceed 12% unless required by legislation or negotiated otherwise in subsequent contracts.
- C. Employees hired on or after January 1, 2013 (who do not meet the definition of a CalPERS classic employee) are considered "new members" and will continue to contribute the employee PERS contribution rate as defined by CalPERS. These employees will contribute an additional 3% retirement contribution as cost sharing of the employer contribution.

- D. The City will maintain the optional in-service death benefit (Pre-retirement Optional Settlement Death Benefit, section 21548) which provides the surviving spouse the same retirement benefit as if the employee had retired at the time of death.

Section 3: Long-Term Disability

Unit employees shall continue paying for their own coverage under the City's Long Term Disability (LTD) Insurance Program.

Section 4: Retiree Health Savings

The City will prepare the documents necessary to establish a Health Reimbursement Agreement (HRA) and/or Voluntary Employees' Beneficiary Association (VEBA) as soon as possible. Group B will approve the design of the plan contribution. Group B reserves the right to annually review and modify the plan contribution design.

Section 5: Retiree Medical Trust

The Association has established and participates in a Retiree Medical Trust administered by PORAC, the provisions of which are outlined in Attachment A to this MOU.

ARTICLE 10: PAID LEAVES

- A. In lieu of the holidays currently recognized by the City, Association members who work in the Patrol Division shall receive four (4) hours of regular pay and four (4) hours of comp time in the pay period the holiday falls. Holiday pay will not be counted as work time for overtime purposes.
- B. The City recognizes eleven (11) holidays for regular employees each calendar year. For regular full-time employees working a forty (40) hour normal work week, eight hours time-off with pay is granted for each day observed. Regular part-time employees are allowed time-off with pay for the holidays observed on a pro-rated basis. The City's current holidays are as follows:

- C. For employees that have a Monday through Friday standard work schedule, holidays falling on a Saturday will be observed on the Friday immediately preceding the holiday, and holidays falling on a Sunday will be observed on the Monday immediately following the holiday.
- D. An Association member shall not be unreasonably denied use of earned compensatory time-off, provided that they have submitted 72-hour advance notice requesting to use compensatory time-off to his/her immediate supervisor on the appropriate and complete form. Less notice time shall be considered an emergency request. Repeated emergency requests may be investigated as an abuse of this policy. If an Association member is already at work, but would like to take compensatory time-off, and the supervisor has sufficient personnel to provide police services without the requesting employee remaining at work, the request may be approved at the discretion of the supervisor. Short-term, non-emergency requests shall be addressed by the individual supervisor at his/her discretion. A response to a request for use of compensatory time shall be provided within a reasonable time to the requesting employee.
- E. Employees may annually request to sell back all unused comp time hours in whole hour increments in the pay period including December 1 of each year. It is the employee's responsibility to initiate the request in the manner prescribed by the City.

ARTICLE 11: VACATION

Association members shall receive vacation benefits consistent with the provisions of City of Visalia Personnel Policy #304.

An employee will stop earning additional vacation leave once the employee reaches twice his/her annual accrual amount. No additional vacation leave will be earned until an employee's vacation accumulation drops below twice the annual accrual amount.

New employees are eligible for vacation benefits after 6 months of service with preapproval of their supervisor. The waiting period is waived for employees hired as qualified lateral Police Officers.

Vacation accruals will be credited at the start of the pay period following the pay period in which earned.

ARTICLE 12: SICK LEAVE

Employees working twenty (20) hours per week receive one-half (.50) of this accrual. Employees working thirty (30) hours per week receive three-quarters (.75) of this accrual. Sick leave may be accrued to four hundred and eighty (480) hours, except for employees hired before December 1, 2004.
- C. For those employees governed by the four hundred and eighty (480) hour cap, the City will annually buy back all hours in excess of the cap at forty percent (40%) of the employee's rate of pay.
- D. Employees hired prior to December 1, 2004, have elected either to be governed by the new accrual cap or they may accrue sick leave without limit.
- E. Those employees who have elected to accrue sick leave without limit may sell back annually up to six (6) days of sick leave less any days used, but at only fifty percent (50%) of pay.
- F. Employees must be employed for at least three (3) months in order to be eligible for the sick leave benefit. The waiting period is waived for employees hired as qualified lateral Police Officers.
- G. Except as otherwise provided in this agreement, all employee benefits will continue during sick leave under the same terms and conditions as if the employee were at work provided the employee has sufficient paid leave available.

It is also agreed that every reasonable effort will be made to inform employees about the dangers of drug abuse in the work place, the availability of any counseling or rehabilitation, as well as the Employee Assistance Program, and that disciplinary action may be imposed upon employees for drug abuse violations occurring in the work place or affecting work performance and/or safety.

Section 5: Jury Duty

When called to serve on a jury, members are expected to use the Police Officer's exemption, when practical. However, if the employee serves, the employee will receive his/her base pay for any and all working days of jury service. The City will continue the employee's regular paycheck. The employee will waive any monies awarded by the court system, but will be eligible to receive any mileage reimbursement paid by the court. The employee will supply documentation of jury time served to the Finance Department.

Employees who are called for jury duty, but who work a swing or graveyard shift, shall be excused from that shift for a number of hours equal to that spent on jury duty that day. Work schedules shall be accordingly adjusted in such a way as to provide for the most logical sleep time.

A. Procedure:

1. The employee shall present his/her supervisor the initial subpoena or other document which gives instructions to report for jury empanelment upon receipt.
2. Upon selection for jury duty, the employee shall notify his/her supervisor verbally, and advise him/her of the estimated length of the trial.
3. Upon reporting for court duty, the employee shall notify the court that he/she wishes to waive any monies or stipend awarded by the court system for his/her jury service. However, the employee will be eligible to claim and receive the mileage reimbursement provided by the court system.
4. The employee shall report for jury duty each day as instructed by the court. At times the employee may be released from jury service during normal working hours; when this is the case, the employee shall be required to be at work, when practical.
5. The employee's supervisor may require an attendance slip verifying his/her actual days of service. If an attendance slip is required, it should be attached to the employee's timecard to complete that record.

Section 6: Direct Deposit

The City of Visalia requires employees to participate in direct deposit for payroll purposes, and all payroll checks will be paid via direct deposit.

Section 7: Administrative Hearing Procedure

The following language amends City of Visalia, Discipline Policy #116, Section VIII, bulleted items 3 and 4. All other portions of Discipline Policy #116 shall remain in effect as written:

- The Hearing shall be set for the earliest mutually agreeable date, which shall not be less than ten (10) calendar days or more than sixty (60) calendar days from the date the request for appeal was received. These timeframes are firm, and the parties are expected to regard these dates as dates certain. In the event a hearing date is not agreed upon within ten (10) calendar days from the date the request for appeal was received, the City shall unilaterally schedule the hearing date within the next sixty (60) calendar days.
- The parties shall mutually select the Hearing Officer from the Mediator Referral List posted on the Tulare County Superior Court website. Starting with the employee's side, each party shall strike the name of one Hearing Officer. The Hearing Officer remaining after the striking process will be deemed the selected Hearing Officer. If the Hearing Officer mutually selected by the parties to hear the appeal is not available to conduct the Hearing within the time period specified, the parties shall select another Hearing Officer using the same process or upon mutual agreement. The parties shall have 5 working days to start to strike names. If the employee fails to timely engage in the striking process, they will be considered to have waived their right to strike names and the City shall appoint a Hearing Officer from the list who is able to conduct the hearing within sixty (60) calendar days.

Section 8: Military Leave

All Association members (probationary and regular) on active military service attending required military training and deployment will be compensated the difference between their City salary and military pay for the time required to serve.

1. Discipline, including reprimand, suspension, demotion and discharge.

B. Coverage

Any regular full-time employee (including any promoted probationary employee) who wishes to appeal management decisions made relative to interpretation or administration of the aforementioned areas, may do so in accordance with the provision of this article.

A probationary employee may not file a grievance under this article, except that a probationary employee who feels personally adversely affected by the application specifically of probationary rules and/or policies to himself or herself can grieve such rule or policy application in accordance with this article.

C. Definitions

1. Grievance

A Grievance is an allegation by an employee that he/she has been personally adversely affected by the interpretation, application or administration of this Memorandum of Understanding or the City of Visalia Personnel Policy Guidelines.

2. Grievant

A Grievant may be any regular full-time or regular part-time employee of the City of Visalia.

3. Immediate Supervisor

An Immediate Supervisor is the lowest level administrator having immediate jurisdiction over the Grievant.

D. Procedure

1. Informal Level

Prior to filing a formal Grievance, that Grievant must attempt to resolve the matter informally. This informal process should begin with an informal conference between the Grievant and the Immediate Supervisor within ten (10) calendar days of the alleged incident giving rise to the Grievance.

2. Formal Level

a. Level I – Supervisor Review

If the Grievance is not resolved informally, the Grievant shall present the relevant facts in writing to the Immediate Supervisor within ten (10) calendar days of the date of the informal conference.

The Grievance should clearly state:

- 1) The facts of the Grievance,
- 2) The basis for the Grievant's objection,
- 3) The remedy desired.

The supervisor shall communicate a decision in writing to the Grievant within ten (10) calendar days from the date the Grievance was received by the Supervisor. ATTACHMENT A
(Attachment to City of Visalia Bargaining Group B MOU)

VPOA MOU PROVISIONS
For Participation in the PORAC Retiree Medical Trust

Section (X). Retiree Medical Trust (RMT).

A. The Association will establish participation in a retiree medical plan administered by the PORAC Retiree Medical Trust (RMT), and the cost of establishing the RMT shall be at no cost to the City of Visalia. All ongoing costs associated with transferring funds, including but not limited to wire transfer fees, will be borne by the Association. Initial setup and enrollment of Association members into the RMT will be completed by the Association and/or its third party administrator. Subsequent new enrollments and separations will be processed by the City of Visalia once full implementation has occurred.

B. The City of Visalia is not a party to the RMT, aside from transferring funds, and has no obligations to the management, regulatory compliance or performance of the RMT. In the event the RMT becomes insolvent or unable to pay, the City of Visalia has no financial obligation to the RMT, the members or the Association.

C. The City of Visalia is not making any retiree medical plan contributions on behalf of Association members or otherwise; all contributions are made only and exclusively by Association members themselves. The City of Visalia has no obligations whatsoever to fund the RMT or any benefits under the retiree medical plan in any way.

D. The City of Visalia has made no representation or warranties regarding the tax consequences related to retiree medical plan contributions and the RMT and to what extent such contributions are subject to taxation. The City of Visalia does not bear any responsibility for tax liability that may arise as a result of these contributions. The Association agrees to assume any and all responsibility for payment of taxes for any and all of the contributions and/or fees. The Association agrees to indemnify and hold the City of Visalia harmless for any and all tax liabilities which may become due, including paying any costs, expenses, or damages sustained by the City of Visalia by reason of any such claims and liabilities, including any amounts paid by the City of Visalia as taxes, attorneys' fees, penalties, interest, or otherwise.

E. The City of Visalia will transfer a monthly, pre-tax employee contribution of one hundred dollars (\$100.00) for all members represented by the bargaining unit who were hired with the City of Visalia on or after January 1, 2000, deducted on an ongoing biweekly (every two weeks) basis of \$46.15 per bi-weekly pay period. As each member meeting this criteria is required to contribute the same predetermined dollar amount, no member election forms designating the amount will be needed, allowed or requested; and there shall be no member election available to take the member contribution amount in cash, or to determine the member contribution amount. These contributions shall be included in compensation for the purposes of calculating retirement benefits, subject to any legal restrictions. The contributions will not increase the regular rate of pay.

1. Further, the Association shall have the option, during the life of this Agreement, to direct City of Visalia to increase the transfer amount by some multiple of \$25 for each employee. Such requests will occur no more than once per year, and the Association will provide the City with a 30-day notice prior to implementation.

F. The City of Visalia will comply with reasonable rules set by the RMT with regard to reporting and depositing the required contributions set forth above, typically involving providing the RMT with the name, social security number and amount paid for each Association member. In the event the reporting requirement of the RMT requires reporting beyond that which the City of Visalia typically provides, the City of Visalia may require the Association to pay for any costs related to programming or producing such reports. Prior to engaging in any activity that could result in such an expense, the City of Visalia will secure the Association's authorization.

G. Except for the City of Visalia's obligation to make and report the non-elective transfer of Association member contributions as described above, the Association agrees to indemnify, defend, and hold harmless the City of Visalia from and against any claim, demand, loss, or damage, action, or liability of any kind, including but not limited to any tax issues and/or attorney fees and costs, and brought by any person or entity, to the extent the claim for damages arises out of the RMT and/or any contributions and fees related to the same, and any negligent or willful actions or inactions of the Association and RMT. To the extent that the City of Visalia is held liable for any such act, omission, or injury, the Association shall indemnify and hold harmless the City of Visalia.

H. The monies contributed to the RMT fund shall only be used for retiree health insurance premiums or health care expenses, as allowed by law. There shall be no Association member election/option available to take such amount in unrestricted cash.

I. The purpose of this RMT shall be to provide for retiree health care expense reimbursement benefits. The RMT shall be and remain separate and apart from any City of Visalia health insurance funding program, unless changed by mutual written agreement of the parties.

J. The City of Visalia hereby acknowledges receipt of the RMT Agreement governing the RMT. The City of Visalia will cooperate with the RMT in allowing a payroll audit only for the purpose of ascertaining if the proper amount of contributions has been made.

**SIDE LETTER AGREEMENT
BETWEEN THE CITY OF VISALIA AND
VISALIA POLICE OFFICERS ASSOCIATION
(CITY OF VISALIA BARGAINING GROUP B)**

The City of Visalia (City) and the Visalia Police Officers Association (City of Visalia Bargaining Group B) agree to the following:

1. The Visalia Police Department implemented a hybrid 4/10 and 3/12.5 work schedule for patrol operations effective January 2023.
2. Under the hybrid model, there are 3 shifts (days, swings, graves) working the 4/10 schedule Monday through Thursday. There are 2 shifts (days and nights) working the 3/12.5 schedule Friday through Sunday.
3. Per Section 207(k) of the FLSA and in accordance with City of Visalia Policy #203, the City has adopted a 28-day, 171-hour FLSA work period for sworn public safety employees, which remains in effect.
4. Within the 28-day FLSA work period, employees assigned to work the 3/12.5 hour shift are scheduled to work 85 hours in one 14-day City pay period and 75 hours in the following 14-day City pay period. Using a smoothing method, assuming employees work all of their scheduled shifts, employees are paid for 80 hours each pay period. Timesheets reflect actual hours worked.
5. Compensation of overtime is calculated according to requirements of the Fair Labor Standards Act.

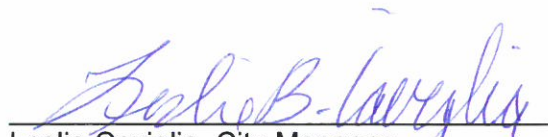

MOU (contract) overtime is defined as the number of hours actually worked in excess of forty hours in the designated seven-day work week for employees assigned to work a 4/10 schedule.

MOU (contract) overtime is defined as the number of hours actually worked in excess of scheduled hours for employees on the 3/12.5 schedule in the 14-day pay period. (85 hours or 75 hours, depending on the regularly scheduled hours for the applicable pay period).

6. Every fourth pay period, employees on the 3/12.5 hour shift schedule may be scheduled to work 87.5 hours for training or coverage as needed. If all hours are actually worked during this pay period, the additional 2.5 hours worked are considered overtime hours.
7. Shift sign-ups are based on seniority and there is no mandatory shift rotation length.
8. The City reserves the right to revert to the 4/10 schedule if it is deemed to be in the best interests of the City and department. If the City determines in its sole discretion that it is in the City's best interest to revert back to the 4/10 schedule, this Side Letter Agreement immediately sunsets, and Group B waives its right to meet and confer on the decision to revert back to the 4/10 schedule and the impacts of reverting back to the 4/10 schedule.

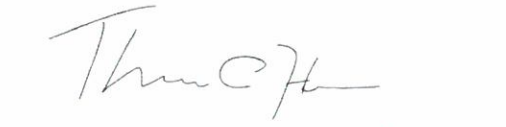

The Side Letter of Agreement is executed on July 10, 2024.
