

PLANNING COMMISSION AGENDA

CHAIRPERSON:

Brett Taylor

VICE CHAIRPERSON:

Liz Wynn

COMMISSIONERS: Brett Taylor, Liz Wynn, Chris Gomez, Marvin Hansen, Sarrah Peariso

TUESDAY, MAY 28, 2019; 5:30 P.M., COUNCIL CHAMBERS, 707 W. ACEQUIA, VISALIA CA

1. THE PLEDGE OF ALLEGIANCE –
2. CITIZEN'S COMMENTS – This is the time for citizens to comment on subject matters that are not on the agenda but are within the jurisdiction of the Visalia Planning Commission. The Commission requests that a 5-minute time limit be observed for comments. Please begin your comments by stating and spelling your name and city. Please note that issues raised under Citizen's Comments are informational only and the Commission will not take action at this time.
3. CHANGES OR COMMENTS TO THE AGENDA–
4. CONSENT CALENDAR - All items under the consent calendar are to be considered routine and will be enacted by one motion. For any discussion of an item on the consent calendar, it will be removed at the request of the Commission and made a part of the regular agenda.
 - No Consent Calendar Items
5. PUBLIC HEARING – Paul Scheibel
Conditional Use Permit No. 2019-17: A request to allow an 8,500 square-foot Dialysis Center within an existing retail building. The project site has a zoning designation of C-R (Regional Commercial), located at 3446 S. Mooney Blvd. (APN: 122-290-029).The project is Categorically Exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301, Categorical Exemption No. 2019-37.
6. PUBLIC HEARING – Paul Bernal
 - Tentative Parcel Map No. 2019-03: A request by Lars Andersen and Associates, Inc. to subdivide a 36,515 square foot parcel containing an existing 8,813 square foot commercial building into three commercial condominiums and a common site parcel, on land in the C-R (Regional Commercial) Zone. The project site is located on the southeast corner of South Mooney Boulevard and West Walnut Avenue (APN: 122-040-052). The project is Categorically Exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301, Categorical Exemption No. 2019-33.
 - Conditional Use Permit No. 2019-12: A request by Lars Andersen and Associates, Inc. to establish a planned commercial development with three commercial condominiums and a common site parcel on a developed commercial property, on land in the C-R (Regional Commercial) Zone. The project site is located on the southeast corner of South Mooney Boulevard and West Walnut Avenue (APN: 122-040-052).The project is Categorically Exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301, Categorical Exemption No. 2019-33.

7. PUBLIC HEARING – Paul Bernal

- Tentative Parcel Map No. 2019-04: A request by Lars Andersen and Associates, Inc. to subdivide a 29,504 square foot parcel containing an existing 10,200 square foot commercial building into two commercial condominiums and a common site parcel, on land in the C-MU (Regional Commercial) Zone. The project site is located at 3221 South Mooney Boulevard (APN: 121-100-054). The project is Categorically Exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301, Categorical Exemption No. 2019-34.
- Conditional Use Permit No. 2019-14: A request by Lars Andersen and Associates, Inc. to establish a planned commercial development with two commercial condominiums and a common site parcel on a developed commercial property, on land in the C-R (Regional Commercial) Zone. The project site is located at 3221 South Mooney Boulevard (APN: 121-100-054). The project is Categorically Exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301, Categorical Exemption No. 2019-34.

8. PUBLIC HEARING – Cristobal Carrillo

Conditional Use Permit No. 2019-09: A request by Salser and Dillard Funeral Chapel to amend Conditional Use Permit No. 2001-23 to allow the addition of a 7,222 sq. ft. reception building in the O-PA (Professional/Administrative Office Zone). The project site is located at 3714 S. Court Street (APN: 126-870-004). The project is Categorically Exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301, Categorical Exemption No. 2019-18.

9. DIRECTOR'S REPORT/ PLANNING COMMISSION DISCUSSION-

- June 10, 2019 No Planning Commission Meeting
- June 24, 2019 Election of New Chair and Vice Chair.

The Planning Commission meeting may end no later than 11:00 P.M. Any unfinished business may be continued to a future date and time to be determined by the Commission at this meeting. The Planning Commission routinely visits the project sites listed on the agenda.

For Hearing Impaired – Call (559) 713-4900 (TTY) 48-hours in advance of the scheduled meeting time to request signing services.

Any written materials relating to an item on this agenda submitted to the Planning Commission after distribution of the agenda packet are available for public inspection in the City Office, 315 E. Acequia Visalia, CA 93291, during normal business hours.

APPEAL PROCEDURE

THE LAST DAY TO FILE AN APPEAL IS FRIDAY, JUNE 7, 2019 BEFORE 5 PM

According to the City of Visalia Zoning Ordinance Section 17.02.145 and Subdivision Ordinance Section 16.04.040, an appeal to the City Council may be submitted within ten days following the date of a decision by the Planning Commission. An appeal form with applicable fees shall be filed with the City Clerk at 220 N. Santa Fe, Visalia, CA 93292. The appeal shall specify errors or abuses of discretion by the Planning Commission, or decisions not supported by the evidence in the record. The appeal form can be found on the city's website www.visalia.city or from the City Clerk.

THE NEXT REGULAR MEETING WILL BE HELD ON MONDAY, JUNE 24, 2019

REPORT TO CITY OF VISALIA PLANNING COMMISSION

HEARING DATE: May 28, 2019

PROJECT PLANNER: Paul Scheibel, Principal Planner (559) 713-4369
E-mail: paul.scheibel@visalia.city

SUBJECT: Conditional Use Permit No. 2019-17: A request to establish an 8,500 sq. ft. dialysis clinic within an existing retail building. The project site has a zoning designation of C-R (Regional Commercial), located at 3447 So. Mooney Boulevard. (APN: 122-290-029)

STAFF RECOMMENDATION

Staff recommends approval of Resolution No. 2019-29 for Conditional Use Permit No. 2019-17 based on the project's consistency with the policies of the City's General Plan and Zoning Ordinance.

RECOMMENDED MOTION

I move to adopt Resolution No. 2019-29, approving Conditional Use Permit No. 2019-17.

PROJECT DESCRIPTION

This request is to establish an 8,500 sq. ft. dialysis clinic in a retail space within the shopping center located at the northeast corner of Mooney Blvd. and Caldwell Avenue.

The proposed interior tenant improvements include the addition of partitions, dialysis treatment areas, offices, and exam rooms. The operational statement describes proposed activities to be conducted onsite, primarily the administration of dialysis treatment to patients. The facility will average a total of 63 patients a day, with individual stays lasting four hours at a time.

There will be 15 employees on site each day. The clinic will operate Monday through Saturday, from 6:00 a.m. to 6:00 p.m.

BACKGROUND INFORMATION

General Plan Land Use Designation: Regional Commercial

Zoning: C-R (Regional Commercial)

Surrounding Zoning and Land Use: North: C-R/ shopping center

South: C-R / Commercial buildings, Walmart shopping center beyond

East: C-MU (Commercial Mixed Use)/ various commercial and office uses

West: C-R/ Sequoia Mall

Environmental Document

Categorical Exemption No. 2019-27

Site Plan:

Site Plan Review No. 2019-072

RELATED PLANS & POLICIES

Please see Related Plans and Policies attached with this report.

RELATED PROJECTS

Conditional Use Permit No. CUP 2019-03: A request by Jeff Croall to establish an 8,000 sq. ft. dialysis clinic within an existing building in the O-PA (Professional/Administrative Office) Zone. The project site is located at 5300 W. Tulare Avenue (APN: 087-460-008). Approved by the Planning Commission on February 25, 2019, by a 5-0 vote.

Conditional Use Permit No. CUP 2013-14: a request by Harriman Kinyon Architects to allow two office buildings (8,000 sq. ft. and 11,200 sq. ft.) to establish two dialysis clinics in the PA (Professional/Administrative Office) Zone, located at 1140 S. Ben Maddox Way. The proposal was approved by the Planning Commission on May 13, 2013, by a 4-0 vote.

PROJECT EVALUATION

Land Use Compatibility

The dialysis clinic is a conditionally allowed use in the C-R Zone District. The dialysis clinic will be situated within an existing retail suite in an existing shopping center. The proposed dialysis clinic will not conflict with surrounding uses. This conclusion is based on the facts that there is sufficient on-site parking on the site, the project will bring visitors and potential retail customers to the shopping center, and to the greater Mooney Corridor. There are no objectionable activities associated with the project, as described in the operational statement. No exterior improvements are proposed in conjunction with the proposed use. If approved, the applicant will secure building permits to undertake necessary tenant improvements within the existing building.

Operational Compatibility with Surrounding Area

The proposed use is similar to a medical office, with hours and activities comparable to surrounding businesses along the Mooney Corridor.

Parking and Access

The parking requirement for a dialysis clinic or similar medical use is one stall per 200 sq. ft. of building area (Zoning Ordinance Section 17.34.020). This would put the onsite parking need at 43 stalls for the proposed 8,500 sq. ft. unit. This can be readily absorbed within the existing parking lot associated with the shopping center.

Environmental Review

This project is considered Categorically Exempt under Section 15301 of the Guidelines for the Implementation of the California Environmental Quality Act (CEQA) because the project is proposed within an existing facility. (Categorical Exemption No. 2019-37).

RECOMMENDED FINDINGS

1. That the proposed project will not be detrimental to the public health, safety, or welfare, or materially injurious to properties or improvements in the vicinity.
2. That the proposed conditional use permit is consistent with the policies and intent of the General Plan and Zoning Ordinance. Specifically, the project is consistent with the required findings of Zoning Ordinance Section 17.38.110:

- a. The proposed location of the conditional use permit is in accordance with the objectives of the Zoning Ordinance and the purposes of the zone in which the site is located.
 - b. The proposed location of the conditional use and the conditions under which it would be operated or maintained will not be detrimental to the public health, safety, or welfare, nor materially injurious to properties or improvements in the vicinity.
3. That project is considered Categorically Exempt under Section 15301 of the Guidelines for the Implementation of the California Environmental Quality Act (CEQA) because the project is proposed within an existing facility. (Categorical Exemption No. 2019-27)

RECOMMENDED CONDITIONS OF APPROVAL

1. That the site will be developed in substantial compliance with the comments and conditions of the Site Plan Review Committee as set forth under Site Plan Review No. 2019-072.
2. That the office be operated in compliance with the site plan, concept (floor) plans, and operational statement in Exhibits "A", "B", and "C".
3. That substantial changes to the site plan, operational statement or floor plan may require an amendment to this Conditional Use Permit as determined through the Site Plan Review process.
4. That all building signage shall require a separate building permit.
5. That all other federal, state and city codes, ordinances and laws be met.

APPEAL INFORMATION

According to the City of Visalia Zoning Ordinance Section 17.02.145, an appeal to the City Council may be submitted within ten days following the date of a decision by the Planning Commission. An appeal with applicable fees shall be in writing and shall be filed with the City Clerk at 220 N. Santa Fe Street, Visalia, CA 93292. The appeal shall specify errors or abuses of discretion by the Planning Commission, or decisions not supported by the evidence in the record. The appeal form can be found on the city's website www.ci.visalia.ca.us or from the City Clerk.

RELATED PLANS AND POLICIES

Conditional Use Permits

(Section 17.38)

17.38.010 Purposes and powers.

In certain zones conditional uses are permitted subject to the granting of a conditional use permit. Because of their unusual characteristics, conditional uses require special consideration so that they may be located properly with respect to the objectives of the zoning ordinance and with respect to their effects on surrounding properties. In order to achieve these purposes and thus give the zone use regulations the flexibility necessary to achieve the objectives of this title, the planning commission is empowered to grant or deny applications for conditional use permits and to impose reasonable conditions upon the granting of such permits. (Prior code § 7525)

17.38.020 Application procedures.

- A. Application for a conditional use permit shall be made to the planning commission on a form prescribed by the commission which shall include the following data:
1. Name and address of the applicant;
 2. Statement that the applicant is the owner of the property or is the authorized agent of the owner;
 3. Address and legal description of the property;
 4. The application shall be accompanied by such sketches or drawings as may be necessary by the planning division to clearly show the applicant's proposal;
 5. The purposes of the conditional use permit and the general description of the use proposed;
 6. Additional information as required by the historic preservation advisory committee.
- B. The application shall be accompanied by a fee set by resolution of the city council sufficient to cover the cost of handling the application. (Prior code § 7526)

17.38.030 Lapse of conditional use permit.

A conditional use permit shall lapse and shall become void twenty-four (24) months after the date on which it became effective, unless the conditions of the permit allowed a shorter or greater time limit, or unless prior to the expiration of twenty-four (24) months a building permit is issued by the city and construction is commenced and diligently pursued toward completion on the site which was the subject of the permit. A permit may be renewed for an additional period of one year; provided, that prior to the expiration of twenty-four (24) months from the date the permit originally became effective, an application for renewal is filed with the planning commission. The commission may grant or deny an application for renewal of a conditional use permit. In the case of a planned residential development, the recording of a final map and improvements thereto shall be deemed the same as a building permit in relation to this section. (Ord. 2001-13 § 4 (part), 2001: prior code § 7527)

17.38.040 Revocation.

Upon violation of any applicable provision of this title, or, if granted subject to a condition or conditions, upon failure to comply with the condition or conditions, a conditional use permit shall be suspended automatically. The planning commission shall hold a public hearing within sixty (60) days, in accordance with the procedure prescribed in Section 17.38.080, and if not satisfied that the regulation, general provision or condition is being complied with, may revoke the permit or take such action as may be necessary to insure compliance with the regulation, general provision or condition. Appeals of the decision of the planning commission may be made to the city council as provided in Section 17.38.120. (Prior code § 7528)

17.38.050 New application.

Following the denial of a conditional use permit application or the revocation of a conditional use permit, no application for a conditional use permit for the same or substantially the same conditional use on the same or substantially the same site shall be filed within one year from the date of denial or revocation of the permit unless such denial was a denial without prejudice by the planning commission or city council. (Prior code § 7530)

17.38.060 Conditional use permit to run with the land.

A conditional use permit granted pursuant to the provisions of this chapter shall run with the land and shall continue to be valid upon a change of ownership of the site or structure which was the subject of the permit application subject to the provisions of Section 17.38.065. (Prior code § 7531)

17.38.065 Abandonment of conditional use permit.

If the use for which a conditional use permit was approved is discontinued for a period of one hundred eighty (180) days, the use shall be considered abandoned and any future use of the site as a conditional use will require the approval of a new conditional use permit.

17.38.070 Temporary uses or structures.

- A. Conditional use permits for temporary uses or structures may be processed as administrative matters by the city planner and/or planning division staff. However, the city planner may, at his/her discretion, refer such application to the planning commission for consideration.
- B. The city planner and/or planning division staff is authorized to review applications and to issue such temporary permits, subject to the following conditions:
 1. Conditional use permits granted pursuant to this section shall be for a fixed period not to exceed thirty (30) days for each temporary use not occupying a structure, including promotional enterprises, or six months for all other uses or structures.
 2. Ingress and egress shall be limited to that designated by the planning division. Appropriate directional signing, barricades, fences or landscaping shall be provided where required. A security officer may be required for promotional events.
 3. Off-street parking facilities shall be provided on the site of each temporary use as prescribed in Section 17.34.020.
 4. Upon termination of the temporary permit, or abandonment of the site, the applicant shall remove all materials and equipment and restore the premises to their original condition.
 5. Opening and closing times for promotional enterprises shall coincide with the hours of operation of the sponsoring commercial establishment. Reasonable time limits for other uses may be set by the city planner and planning division staff.
 6. Applicants for a temporary conditional use permit shall have all applicable licenses and permits prior to issuance of a conditional use permit.
 7. Signing for temporary uses shall be subject to the approval of the city planner.
 8. Notwithstanding underlying zoning, temporary conditional use permits may be granted for fruit and vegetable stands on properties primarily within undeveloped agricultural areas. In reviewing applications for such stands, issues of traffic safety and land use compatibility shall be evaluated and mitigation measures and conditions may be imposed to ensure that the stands are built and are operated consistent with appropriate construction standards, vehicular access and off-street parking. All fruits and vegetables sold at such stands shall be grown by the owner/operator or purchased by said party directly from a grower/farmer.

- C. The applicant may appeal an administrative decision to the planning commission. (Ord. 9605 § 30 (part), 1996: prior code § 7532)

17.38.080 Public hearing--Notice.

- A. The planning commission shall hold at least one public hearing on each application for a conditional use permit.
- B. Notice of the public hearing shall be given not less than ten days nor more than thirty (30) days prior to the date of the hearing by mailing a notice of the time and place of the hearing to property owners within three hundred (300) feet of the boundaries of the area occupied or to be occupied by the use which is the subject of the hearing, and by publication in a newspaper of general circulation within the city. (Prior code § 7533)

17.38.090 Investigation and report.

The planning staff shall make an investigation of the application and shall prepare a report thereon which shall be submitted to the planning commission. (Prior code § 7534)

17.38.100 Public hearing--Procedure.

At the public hearing the planning commission shall review the application and the statement and drawing submitted therewith and shall receive pertinent evidence concerning the proposed use and the proposed conditions under which it would be operated or maintained, particularly with respect to the findings prescribed in Section 17.38.110. The planning commission may continue a public hearing from time to time as it deems necessary. (Prior code § 7535)

17.38.110 Action by planning commission.

- A. The planning commission may grant an application for a conditional use permit as requested or in modified form, if, on the basis of the application and the evidence submitted, the commission makes the following findings:
 - 1. That the proposed location of the conditional use is in accordance with the objectives of the zoning ordinance and the purposes of the zone in which the site is located;
 - 2. That the proposed location of the conditional use and the conditions under which it would be operated or maintained will not be detrimental to the public health, safety or welfare, or materially injurious to properties or improvements in the vicinity.
- B. A conditional use permit may be revocable, may be granted for a limited time period, or may be granted subject to such conditions as the commission may prescribe. The commission may grant conditional approval for a permit subject to the effective date of a change of zone or other ordinance amendment.
- C. The commission may deny an application for a conditional use permit. (Prior code § 7536)

17.38.120 Appeal to city council.

The decision of the City planning commission on a conditional use permit shall be subject to the appeal provisions of Section 17.02.145. (Prior code § 7537) (Ord. 2006-18 § 6, 2007)

17.38.130 Effective date of conditional use permit.

A conditional use permit shall become effective immediately when granted or affirmed by the council, or upon the sixth working day following the granting of the conditional use permit by the planning commission if no appeal has been filed. (Prior code § 7539)

RESOLUTION NO. 2019-29

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF VISALIA APPROVING CONDITIONAL USE PERMIT NO. 2019-17, A REQUEST TO ESTABLISH AN 8,500 SQ. FT. DIALYSIS CLINIC WITHIN AN EXISTING RETAIL BUILDING. THE PROJECT SITE HAS A ZONING DESIGNATION OF C-R (REGIONAL COMMERCIAL), LOCATED AT 3447 SO. MOONEY BOULEVARD. (APN: 122-290-029)

WHEREAS, Conditional Use Permit No. 2019-17, is a request to establish an 8,500 sq. ft. dialysis clinic within an existing retail building. The project site has a zoning designation of C-R (Regional Commercial), located at 3447 So. Mooney Boulevard. (APN: 122-290-029); and,

WHEREAS, the Planning Commission of the City of Visalia, after duly published notice did hold a public hearing before said Commission on May 28, 2019; and,

WHEREAS, the Planning Commission of the City of Visalia finds the Conditional Use Permit to be in accordance with Chapter 17.38.110 of the Zoning Ordinance of the City of Visalia based on the evidence contained in the staff report and testimony presented at the public hearing; and

WHEREAS, the Planning Commission finds the project to be Categorically Exempt consistent with the California Environmental Quality Act (CEQA) and City of Visalia Environmental Guidelines.

NOW, THEREFORE, BE IT RESOLVED that the project is exempt from further environmental review pursuant to CEQA Section 15301.

NOW, THEREFORE, BE IT FURTHER RESOLVED that the Planning Commission of the City of Visalia makes the following specific findings based on the evidence presented:

1. That the proposed project, as conditioned, will not be detrimental to the public health, safety, or welfare, or materially injurious to properties or improvements in the vicinity.
2. That the proposed conditional use permit is consistent with the policies and intent of the General Plan and Zoning Ordinance. Specifically, the project is consistent with the required findings of Zoning Ordinance Section 17.38.110:
 - a. The proposed location of the conditional use permit is in accordance with the objectives of the Zoning Ordinance and the purposes of the zone in which the site is located.
 - b. The proposed location of the conditional use and the conditions under which it would be operated or maintained will not be detrimental to the public health, safety, or welfare, nor materially injurious to properties or improvements in the vicinity.
3. That the project is considered Categorically Exempt under Section 15301 of the Guidelines for the Implementation of CEQA. (Categorical Exemption No. 2019-27).

BE IT FURTHER RESOLVED that the Planning Commission hereby approves the Conditional Use Permit on the real property here described in accordance with the terms of this resolution under the provisions of Section 17.38.110 of the Ordinance Code of the City of Visalia, subject to the following conditions:

1. That the site will be developed in substantial compliance with the comments and conditions of the Site Plan Review Committee as set forth under Site Plan Review No. 2019-072.
2. That the project be operated in compliance with the site plan, concept (floor) plan and operational statement in Exhibits "A", "B", and "C".
3. That substantial changes to the site plan, operational statement or floor plan may require an amendment to this Conditional Use Permit as determined through the Site Plan Review process.
4. That all building signage shall require a separate building permit.
5. That all other federal, state and city codes, ordinances and laws be met.

Visalia, California 93277

Exhibit "C"

STATEMENT OF OPERATIONS

Visalia Kidney Center plans to operate an 8,000 square foot dialysis clinic that supports a maximum of 21 patients at any one time once this facility does grow to full capacity. We do anticipate this process of growth will occur over several years. For both current and future operations, we plan to operate 3 patient care shifts per day, shifts that do not overlap, therefore anticipating a treatment of approximately 63 patients per day total at maximum capacity though still only at a rate of 21 patients maximum at any one time.

Operations consist primarily of administering life-sustaining hemodialysis treatments to patients with End Stage Renal Disease, wherein dialysis machines filter waste products from patients' blood. Each treatment lasts approximately 4 hours, and each patient receives 3 treatments per week.

Our standard business hours would be Monday through Saturday, 6am to 6pm, and we anticipate having about 15 staff members on site each day.

Our operations require weekly deliveries of medical supplies including saline, powder bicarbonate, band aids, gauze, gloves, and the like.

To convert this retail space to new medical use, we will be upgrading the applicable fire protection finishes of this existing space, a space which is already fully protected throughout with an automatic fire sprinkler system. The steel support columns as well as the main and secondary structural members are to receive additional fire protection by means of gypsum board / fire spray rated materials as approved by local jurisdiction. The patient treatment space will be enclosed within a 2 hour area of separation from adjacent uses and will have independent direct egress to the immediate exterior of the building.

SITE PLAN REVIEW COMMENTS

Paul Scheibel, Planning Division, 559-713-4369

Date: April 24, 2019

SITE PLAN NO: 2019-072
PROJECT TITLE: American Renal Associates
DESCRIPTION: 21 Station Outpatient Dialysis Clinic in (E) 8,243 sf building on 7.32 acres
APPLICANT: Albert Rodriguez
PROP. OWNER: Murrell Visalia Plaza LLC
LOCATION TITLE: 3446 S. Mooney Blvd.
APN TITLE: 122-290-029
GENERAL PLAN: Regional Commercial
ZONING: C-R (Regional Commercial)

Planning Division Recommendation:

- Revise and Proceed
- Off-Agenda
- Resubmit

Project Requirements

- Conditional Use Permit required in C-R Zone.
- Additional Information as Needed

PROJECT SPECIFIC INFORMATION: April 24, 2019

1. A Conditional Use Permit shall be obtained.
 2. Include detailed floor plans and operational statement in CUP application.
 3. Meet all other codes and ordinances.

17.18.070 Development standards in the C-R zone.

The following development standards shall apply to property located in the C-R zone:

- A. Minimum site area: five (5) acres.
- B. Maximum building height: fifty (50) feet.
- C. Minimum required yards (building setbacks):
 1. Front: twenty (20) feet;
 2. Rear: zero (0) feet;
 3. Rear yards abutting an R-1 or R-M zone district: fifteen (15) feet;
 4. Side: zero (0) feet;
 5. Side yards abutting an R-1 or R-M zone district: fifteen (15) feet;
 6. Street side yard on corner lot: ten (10) feet.
- D. Minimum required landscaped yard (setback) areas:
 1. Front: twenty (20) feet;
 2. Rear: five (5) feet;
 3. Rear yards abutting an R-1 or R-M zone district: five (5) feet;
 4. Side: five (5) feet (except where a building is located on side property line);
 5. Side yards abutting an R-1 or R-M zone district: five (5) feet;

6. Street side on corner lot: ten (10) feet.

Item # 2
Site Plan # 19-072 9
APN: 122290029
Location:

The following comments are applicable when checked:

- The Site Plan Review comments are issued as general overview of your project. With further details, additional requirements will be enforced at the Plan Review stage. Please refer to the 2016 California Fire Code (CFC), 2016 California Building Codes (CBC) and City of Visalia Municipal Codes.
- All fire detection, alarm, and extinguishing systems in existing buildings shall be maintained in an operative condition at all times and shall be replaced or repaired where defective. If building has been vacant for a significant amount of time, the fire detection, alarm, and or extinguishing systems may need to be evaluated by a licensed professional. *2016 CFC 901.6*
- No fire protection items required for parcel map or lot line adjustment; however, any future projects will be subject to fire & life safety requirements including fire protection systems and fire hydrants in accordance with all applicable sections of the California Fire Code.
- Construction and demolition sites prior to and during construction shall comply with the following:
 - Water Supply for fire protection, either temporary or permanent, shall be made available as soon as combustible materials arrive on the site. *2016 CFC 3312*
 - An all-weather, 20 feet width Construction Access Road capable of holding a 75,000 pound fire apparatus. Fire apparatus access shall be provided within 100 feet of temporary or permanent fire department connections. *2016 CFC 3310*
- More information is needed before a Site Plan Review can be conducted. Please submit plans with more detail. Please include information on

General:

- Address numbers must be placed on the exterior of the building in such a position as to be clearly and plainly visible from the street. Numbers will be at least four inches (4") high and shall be of a color to contrast with their background. If multiple addresses served are by a common driveway, the range of numbers shall be posted at the roadway/driveway. *2016 CFC 505.1*
- All hardware on exit doors, illuminated exit signs and emergency lighting shall comply with the 2016 California Fire Code. This includes all locks, latches, bolt locks, panic hardware, fire exit hardware and gates.
- Commercial dumpsters with 1.5 cubic yards or more shall not be stored or placed within 5 feet of combustible walls, openings, or a combustible roof eave line except when protected by a fire sprinkler system. *2016 CFC 304.3.3*

- A Knox Box key lock system is required. Where access to or within a structure or area is restricted because of secured openings (doors and/or gates), a key box is to be installed in an approved location. The key box shall be ordered using an approved Knox Authorization Order Form. The forms are located at the fire department administration office located at 420 N Burke, Visalia, CA 93292. Please allow adequate time for shipping and installation. *2016 CFC 506.1*
- If your business handles hazardous material in amounts that exceed the Maximum Allowable Quantities listed on *Table 5003.1.1(1), 5003.1.1(2), 5003.1.1(3) and 5003.1.1(4) of the 2016 California Fire Code*, you are required to submit an emergency response plan to the Tulare County Health Department. Also you shall indicate the quantities on your building plans and prior to the building final inspection a copy of your emergency response plan and Safety Data Sheets shall be submitted to the Visalia Fire Department.

Water Supply for Residential, Commercial & Industrial:

Residential

- Fire hydrant spacing and location shall comply with the following requirements:
The exact location and number of fire hydrants shall be at the discretion of the fire marshal, fire chief and/or their designee. *Visalia Municipal Code 16.36.120(5)*
- Single-family residential developments shall be provided with fire hydrants every six hundred (600) lineal feet of residential frontage. In isolated developments, no less than two (2) fire hydrants shall be provided.
- Multi-family, zero lot line clearance, mobile home park or condominium developments shall be provided with fire hydrants every four hundred (400) lineal feet of frontage. In isolated developments, no less than two (2) fire hydrants shall be provided.
- Multi-family or condominium developments with one hundred (100) percent coverage fire sprinkler systems shall be provided with fire hydrants every six (600) lineal feet of frontage. In isolated developments, no less than two (2) fire hydrants shall be provided.

Commercial & Industrial

- Where a portion of the facility or building is more than 400 feet from a hydrant on a fire apparatus access road, on-site fire hydrant(s) shall be provided. *2016 CFC 507.5.1*
- Due to insufficient building information, the number and distance between fire hydrants cannot be determined by the Site Plan Review process. The number of fire hydrants and distance between required fire hydrants shall be determined by utilizing type of construction and square footage in accordance with *CFC 2016 Appendix C102 & C103 & CFC 507.5.1*
- To determine fire hydrant location(s) and distribution the following information was provided to the Site Plan Review committee: **Type of construction** _____ **Square footage** _____

Emergency Access

- A fire apparatus access roads shall be provided and must comply with the 2016 CFC and extend within 150 feet of all portions of the facility and all portions of the exterior walls of the first story of the building as measured by an approved route around the exterior of the building or facility. Fire apparatus

access roads shall have an unobstructed width of not less than 20 feet. Minimum turning radius for emergency fire apparatus shall be 20 feet inside radius and 43 feet outside radius. 2016 CFC 503.1.1

□ Buildings or portions of buildings or facilities with a vertical distance between the grade plan and the highest roof surface that exceed 30 feet shall provide an approved fire apparatus access roads capable of accommodating fire department aerial apparatus.

- Access roads shall have a minimum unobstructed width of 26 feet, exclusive of shoulders.
- Access routes shall be located within a minimum of 15 feet and maximum of 30 feet from the building, and shall be positioned parallel to one entire side of the building.
- Overhead utility and power lines shall not be located over the aerial fire apparatus access road or between the aerial fire apparatus road and the building.

□ Fire apparatus access roads in excess of 150 feet and dead end shall be provided with a turnaround. Fire apparatus access roads with a length of 151-500 feet shall be a minimum of 20 feet in width. Length of 501-750 feet shall be 26 feet in width. 2016 CFC Table D103.4

96' DIAMETER CUL-DE-SAC

60' "Y"

MINIMUM CLEARANCE AROUND A FIRE HYDRANT

120' HAMMERHEAD

ACCEPTABLE ALTERNATIVE TO 120' HAMMERHEAD

□ Approved No PARKING – FIRE LANE signs shall be provided for fire apparatus access roads to identify such roads or prohibit the obstruction thereof. Signs shall have a minimum dimension of 12 inches wide by 18 inches high and have red letters on a white reflective background. 2013 CFC 503.3/D103.6

SIGN TYPE "A"

- On site Fire Apparatus Access Roads shall be provided and have an unobstructed width of not less than the following;
 - 20 feet width, exclusive of shoulders (No Parking)
 - More than 26 feet width, exclusive of shoulders (No Parking one side)
 - More than 32 feet wide, exclusive of shoulders (Parking permitted on both sides)

- Marking- approved signs, other approved notices or marking that include the words "NO PARKING-FIRE LANE shall be provided for fire apparatus access roads to identify such roads or prohibit the obstruction thereof. *CFC 503.3*

- Gates on access roads shall be a minimum width of 20 feet and shall comply with the following:
2016 CFC D103.5
 - Gates shall be of the swinging or sliding type.
 - Gates shall allow manual operation by one person (power outages).
 - Gates shall be maintained in an operative condition at all times.
 - Electric gates shall be equipped with a means of opening the gate by fire department personnel for emergency access. (Note: Knox boxes shall be ordered using an approved Knox Authorization Order Form. The forms are located at the fire department administration office located at 420 N Burke, Visalia, CA 93292. Please allow adequate time for shipping and installation.)

- Streets shall meet the City of Visalia's Design & Improvement Standards for streets to ensure that fire apparatus can make access to all structures in the event of an emergency.

Fire Protection Systems

- An automatic fire sprinkler system will be required for this building. Also, a fire hydrant is required within 50 feet of the Fire Department Connection (FDC). Where an existing building is retrofitted with a sprinkler system (NFPA 13 or NFPA 13R) a fire hydrant shall be provided within 75 feet of the FDC. An additional 25 feet of distance between a fire hydrant and FDC may be granted when a fire sprinkler Density is designed with an additional 25%. *2016 CFC 912 and Visalia Municipal Code 8.20.010 subsection C103.4*

- Locking fire department connection (FDC) caps are required. The caps shall be ordered using an approved Knox Authorization Order Form. The forms are located at the fire department administration office located at 420 N Burke, Visalia, CA 93292. *2016 CFC 912.4.1*

Special Comments:

- A manual and automatic fire alarm system shall be provided in accordance with California Fire Code 907.2.6.2

COMMERCIAL BIN SERVICE

- No comments.
- See comments below
- Revisions required prior to submitting final plans. See comments below.
- Resubmittal required. See comments below.
- Customer responsible for all cardboard and other bulky recyclables to be broken down before disposing of in recycle containers
- ALL refuse enclosures must be R-3 OR R-4
- Customer must provide combination or keys for access to locked gates/bins
- Type of refuse service not indicated.
- Location of bin enclosure not acceptable. See comments below.
- Bin enclosure not to city standards double.
- Inadequate number of bins to provide sufficient service. See comments below.
- Drive approach too narrow for refuse trucks access. See comments below.
- Area not adequate for allowing refuse truck turning radius of : Commercial (X) 50 ft. outside 36 ft. inside; Residential () 35 ft. outside, 20 ft. inside.
- Paved areas should be engineered to withstand a 55,000 lb. refuse truck.
- Bin enclosure gates are required
- Hammerhead turnaround must be built per city standards.
- Cul - de - sac must be built per city standards.
- Bin enclosures are for city refuse containers only. Grease drums or any other items are not allowed to be stored inside bin enclosures.
- Area in front of refuse enclosure must be marked off indicating no parking
- Enclosure will have to be designed and located for a STAB service (DIRECT ACCESS) with no less than 38' clear space in front of the bin, included the front concrete pad.
- Customer will be required to roll container out to curb for service.
- Must be a concrete slab in front of enclosure as per city standards, the width of the enclosure by ten(10) feet, minimum of six(6) inches in depth.
- Roll off compactor's must have a clearance of 3 feet from any wall on both sides and there must be a minimum of 53 feet clearance in front of the compactor to allow the truck enough room to provide service.
- City ordinance 8.28.120-130 (effective 07/19/18) requires contractor to contract with City for removal of construction debris unless transported in equipment owned by contractor or unless contracting with a franchise permittee for removal of debris utilizing roll-off boxes.
- Comment** Existing enclosure are adequate

SITE PLAN NO.:	19-072
PROJECT TITLE:	AMERICAN RENAL ASSOCIATES
DESCRIPTION:	21 STATION OUTPATIENT DIALYSIS CLINIC IN EXISTING 8,243 SF BUILDING
APPLICANT:	ALBERT RODRIGUEZ
PROP OWNER:	MURRELL VISALIA PLAZA LLC
LOCATION:	3446 S MOONEY
APN:	122-290-029

SITE PLAN REVIEW COMMENTS

- REQUIREMENTS (indicated by checked boxes)
- Install curb return with ramp, with _____ radius;
- Install curb; gutter
- Drive approach size: Use radius return;
- Sidewalk: _____ width; parkway width at _____
- Repair and/or replace any sidewalk across the public street frontage(s) of the subject site that has become uneven, cracked or damaged and may constitute a tripping hazard.
- Replace any curb and gutter across the public street frontage(s) of the subject site that has become uneven and has created areas where water can stand.
- Right-of-way dedication required. A title report is required for verification of ownership.
- Deed required prior to issuing building permit;
- City Encroachment Permit Required.
Insurance certificate with general & auto liability (\$1 million each) and workers compensation (\$1 million), valid business license, and appropriate contractor's license must be on file with the City, and valid Underground Service Alert # provided prior to issuing the permit. Contact Encroachment Tech. at 713-4414.
- CalTrans Encroachment Permit required. CalTrans comments required prior to issuing building permit. Contacts: David Deel (Planning) 488-4088;
- Landscape & Lighting District/Home Owners Association required prior to approval of Final Map. Landscape & Lighting District will maintain common area landscaping, street lights, street trees and local streets as applicable. Submit completed Landscape and Lighting District application and filing fee a min. of 75 days before approval of Final Map.
- Landscape & irrigation improvement plans to be submitted for each phase. Landscape plans will need to comply with the City's street tree ordinance. The locations of street trees near intersections will need to comply with Plate SD-1 of the City improvement standards. A street tree and landscape master plan for all phases of the subdivision will need to be submitted with the initial phase to assist City staff in the formation of the landscape and lighting assessment district.
- Grading & Drainage plan required. If the project is phased, then a master plan is required for the entire project area that shall include pipe network sizing and grades and street grades. Prepared by registered civil engineer or project architect. All elevations shall be based on the City's benchmark network. Storm run-off from the project shall be handled as follows: a) directed to the City's existing storm drainage system; b) directed to a permanent on-site basin; or c) directed to a temporary on-site basin is required until a connection with adequate capacity is available to the City's storm drainage system. On-site basin: _____ : _____ maximum side slopes, perimeter fencing required, provide access ramp to bottom for maintenance.
- Grading permit is required for clearing and earthwork performed prior to issuance of the building permit.
- Show finish elevations. (Minimum slopes: A.C. pavement = 1%, Concrete pavement = 0.25%. Curb & Gutter = .020%, V-gutter = 0.25%)
- Show adjacent property grade elevations. A retaining wall will be required for grade differences greater than 0.5 feet at the property line.
- All public streets within the project limits and across the project frontage shall be improved to their full width, subject to available right of way, in accordance with City policies, standards and specifications.
- Traffic indexes per city standards:

- Install street striping as required by the City Engineer.
- Install landscape curbing (typical at parking lot planters).
- Minimum paving section for parking: 2" asphalt concrete paving over 4" Class 2 Agg. Base, or 4" concrete pavement over 2" sand.
- Design Paving section to traffic index of 5.0 min. for solid waste truck travel path.
- Provide "R" value tests: each at
- Written comments required from ditch company Contacts: James Silva 747-1177 for Modoc, Persian, Watson, Oakes, Flemming, Evans Ditch and Peoples Ditch; Jerry Hill 686-3425 for Tulare Irrigation Canal, Packwood and Cameron Creeks; Bruce George 747-5601 for Mill Creek and St. John's River.
- Access required on ditch bank, 15' minimum Provide wide riparian dedication from top of bank.
- Show Valley Oak trees with drip lines and adjacent grade elevations. Protect Valley Oak trees during construction in accordance with City requirements.
- A permit is required to remove Valley Oak trees. Contact Public Works Admin at 713-4428 for a Valley Oak tree evaluation or permit to remove. A pre-construction conference is required.
- Relocate existing utility poles and/or facilities.
- Underground all existing overhead utilities within the project limits. Existing overhead electrical lines over 50kV shall be exempt from undergrounding.
- Subject to existing Reimbursement Agreement to reimburse prior developer:
- Fugitive dust will be controlled in accordance with the applicable rules of San Joaquin Valley Air District's Regulation VIII. Copies of any required permits will be provided to the City.
- If the project requires discretionary approval from the City, it may be subject to the San Joaquin Valley Air District's Rule 9510 Indirect Source Review per the rule's applicability criteria. A copy of the approved AIA application will be provided to the City.
- If the project meets the one acre of disturbance criteria of the State's Storm Water Program, then coverage under General Permit Order 2009-0009-DWQ is required and a Storm Water Pollution Prevention Plan (SWPPP) is needed. A copy of the approved permit and the SWPPP will be provided to the City.
- Comply with prior comments. Resubmit with additional information. Redesign required.

Additional Comments:

- 1. Proposed medical tenant improvement within existing retail building will incur additional development impact fees. Refer to page 3 for applicable fees & estimate.**
- 2. Refer to Planning Dept. for project entitlement requirements.**
- 3. Comply with current accessibility standards.**
- 4. A building permit is required, standard plan check and inspection fees will apply.**

SUMMARY OF APPLICABLE DEVELOPMENT IMPACT FEES

Site Plan No: **19-072**
Date: **4/24/2019**

Summary of applicable Development Impact Fees to be collected at the time of building permit:
(Preliminary estimate only! Final fees will be based on the development fee schedule in effect at the time of building permit issuance.)

(Fee Schedule Date:**8/3/2018**)
(Project type for fee rates:**MEDICAL**)

Existing uses may qualify for credits on Development Impact Fees. **RETAIL**

FEE ITEM	FEE RATE
<input type="checkbox"/> Groundwater Overdraft Mitigation Fee	
<input type="checkbox"/> Transportation Impact Fee	
<input checked="" type="checkbox"/> Trunk Line Capacity Fee	\$97/1000SF X 8.24 = \$799 TREATMENT PLANT FEE: \$231/1000SF X 8.24 = \$1,903 RETAIL CR = (\$80X8.24=\$659)
<input type="checkbox"/> Sewer Front Foot Fee	
<input type="checkbox"/> Storm Drain Acq/Dev Fee	
<input type="checkbox"/> Park Acq/Dev Fee	
<input type="checkbox"/> Northeast Specific Plan Fees	
<input type="checkbox"/> Waterways Acquisition Fee	
<input type="checkbox"/> Public Safety Impact Fee: Police	
<input type="checkbox"/> Public Safety Impact Fee: Fire	
<input type="checkbox"/> Public Facility Impact Fee	
<input type="checkbox"/> Parking In-Lieu	

Reimbursement:

- 1.) No reimbursement shall be made except as provided in a written reimbursement agreement between the City and the developer entered into prior to commencement of construction of the subject facilities.
- 2.) Reimbursement is available for the development of arterial/collector streets as shown in the City's Circulation Element and funded in the City's transportation impact fee program. The developer will be reimbursed for construction costs and right of way dedications as outlined in Municipal Code Section 16.44. Reimbursement unit costs will be subject to those unit costs utilized as the basis for the transportation impact fee.
- 3.) Reimbursement is available for the construction of storm drain trunk lines and sanitary sewer trunk lines shown in the City's Storm Water Master Plan and Sanitary Sewer System Master Plan. The developer will be reimbursed for construction costs associated with the installation of these trunk lines.

Adrian Rubalcaba

SITE PLAN REVIEW COMMENTS

CITY OF VISALIA TRAFFIC SAFETY DIVISION

April 24, 2019

ITEM NO. 2

SITE PLAN NO:	SPR19-072
PROJECT TITLE:	American Renal Associates
DESCRIPTION:	21 Station outpatient dialysis clinic in (E) 8,243 sf building on 7.32 acres
APPLICANT:	Albert Rodriguez
OWNER:	Murrell Visalia Plaza LLC
APN:	122-290-029
LOCATION:	3446 S. Mooney

THE TRAFFIC DIVISION WILL PROHIBIT ON-STREET PARKING AS DEEMED NECESSARY

- No Comments
- See Previous Site Plan Comments
- Install Street Light(s) per City Standards.
- Install Street Name Blades at Locations.
- Install Stop Signs at Locations.
- Construct parking per City Standards PK-1 through PK-4.
- Construct drive approach per City Standards.
- Traffic Impact Analysis required (CUP)
 - Provide more traffic information such as . Depending on development size, characteristics, etc., a TIA may be required.
- Additional traffic information required (Non Discretionary)
 - Trip Generation - Provide documentation as to concurrence with General Plan.
 - Site Specific - Evaluate access points and provide documentation of conformance with COV standards. If noncomplying, provide explanation.
 - Traffic Impact Fee (TIF) Program - Identify improvements needed in concurrence with TIF.
