INTRODUCTIONS/COMMENTS

CITIZENS REQUESTS - This is the time for members of the public to comment on any matter within the jurisdiction of the College of the Sequoias District/Visalia City Council. The Board Members and Council ask that you keep your comments brief and positive. The Board/Council members cannot legally discuss or take official action on citizen request items that are introduced tonight. In fairness to all who wish to speak tonight, each speaker from the public will be allowed three minutes or a total of 20 minutes per topic. Please begin your comments by stating your name and providing your street name and city.

1. Update of the California State University Fresno/COS Center
2. COS Fast Facts
3. COS Bond in November

Dr. Bill Scroggins, COS President, updated the Council on progress being made with the partnership between California State University Fresno, COS, and the City of Visalia, as well as the Sequoia Regional Institute for Higher Education's efforts to improve Baccalaureate education in Tulare County.
--

Dr. Scroggins presented COS facts including enrollments, goals and accomplishments, and reviewed what facility projects have recently been accomplished and what projects are planned for the future. In addition, a \$27m bond, planned for the June 2008 election, was discussed.

Council discussed the upcoming bond, facility, and program needs at COS as well as the need to meet regularly with the COS Board to share goals and accomplishments.
