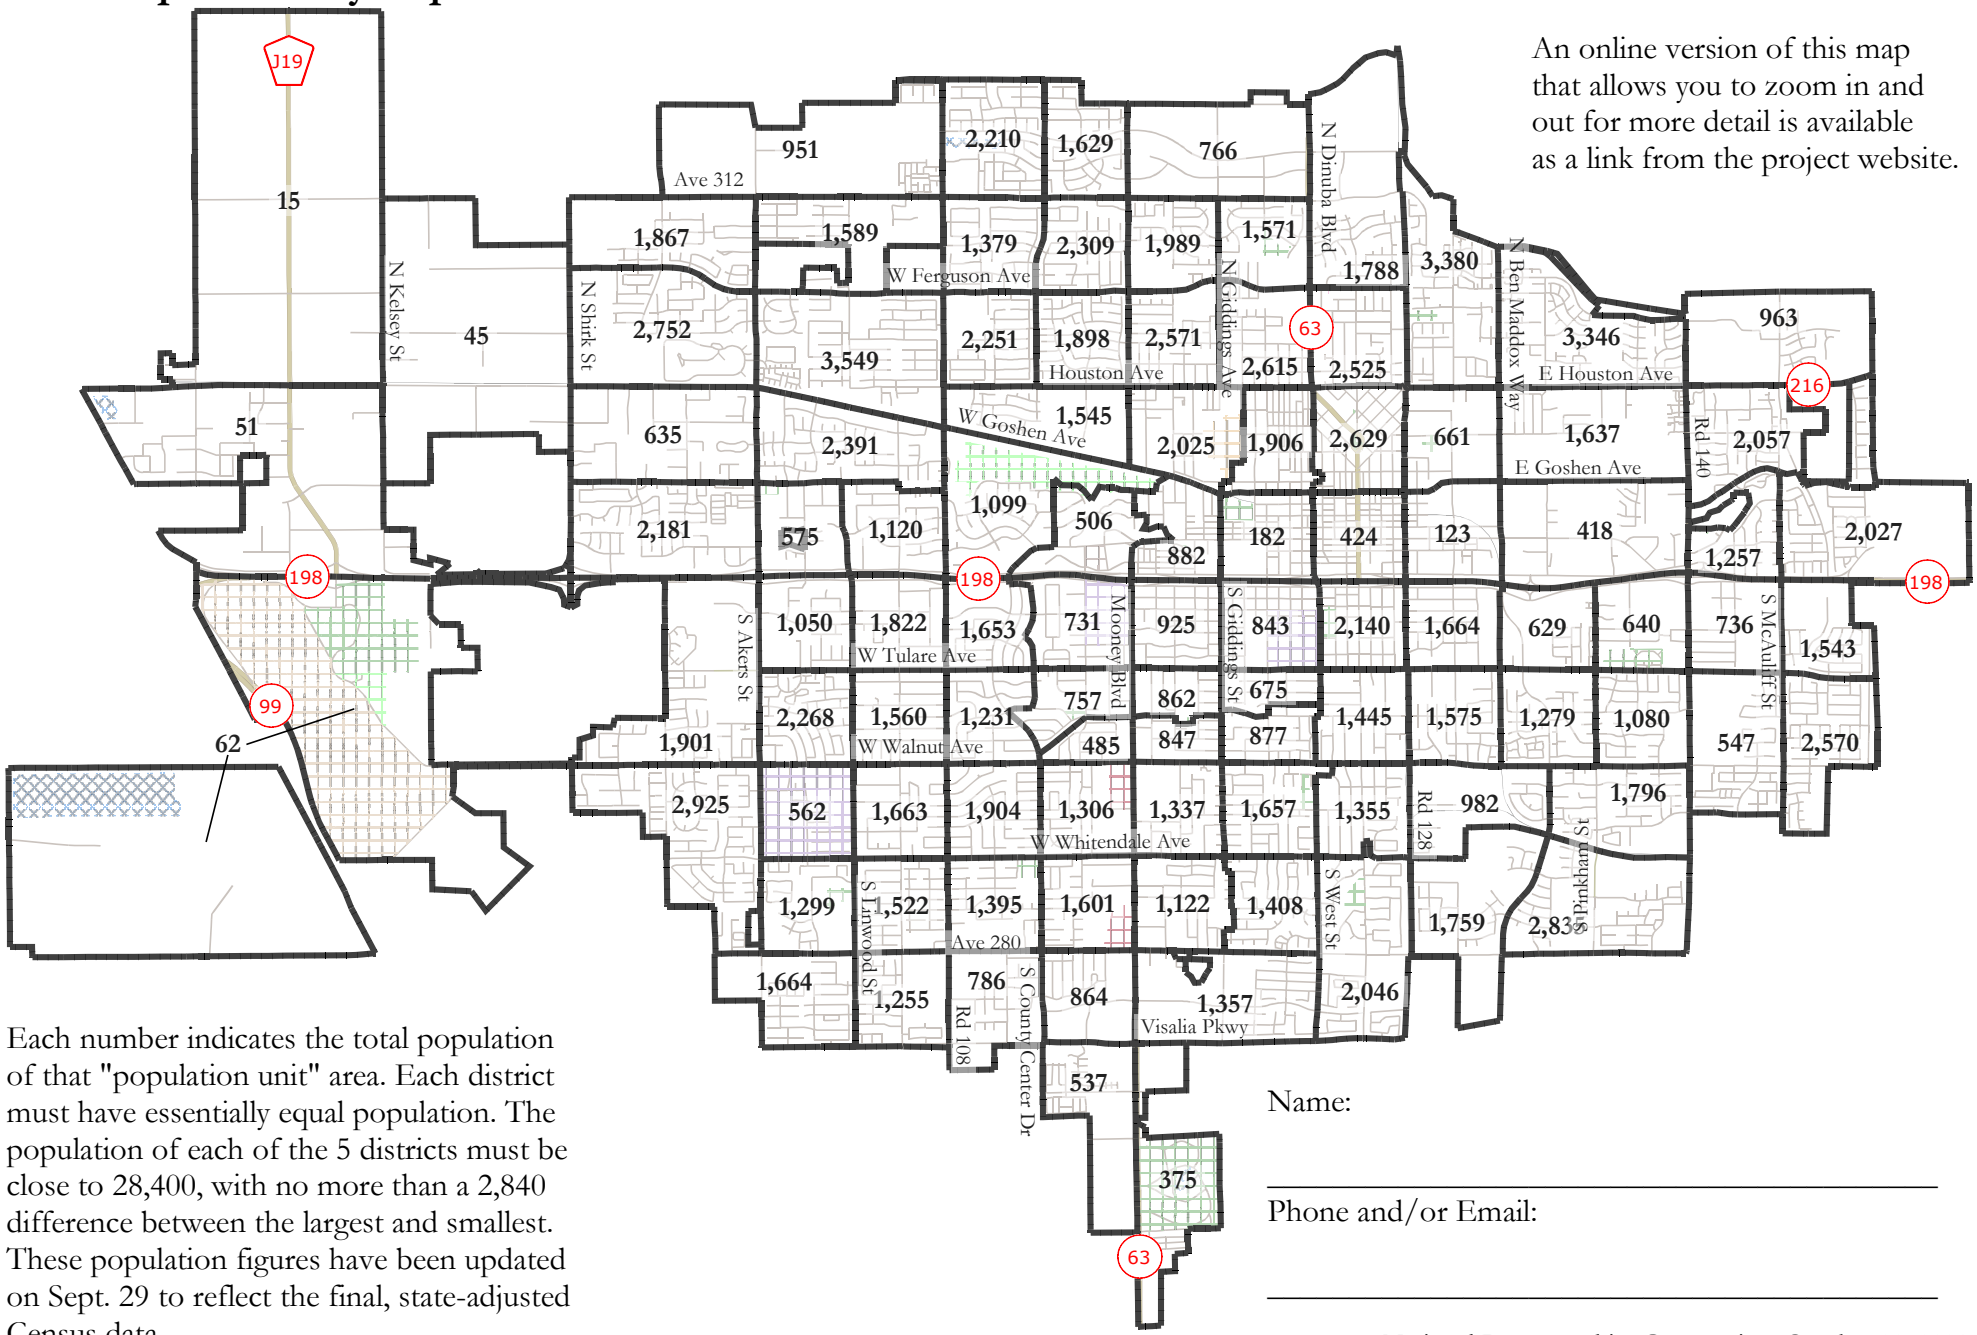
Public Participation Kit

Total Population by Population Unit

Please use a thick dark-colored pen to draw your map, then submit it at City Hall or by email to CommunityFeedback@visalia.city. You can hand deliver, mail, fax, scan and email, or photograph and email your map.

An online version of this map that allows you to zoom in and out for more detail is available as a link from the project website.



Each number indicates the total population of that "population unit" area. Each district must have essentially equal population. The population of each of the 5 districts must be close to 28,400, with no more than a 2,840 difference between the largest and smallest. These population figures have been updated on Sept. 29 to reflect the final, state-adjusted Census data.
