Visalia Redistricting 2021

Public Participation Kit

Total Population by Population Unit

Each number indicates the total population of that "population unit" area. Each district must have essentially equal population. The population of each of the five districts must be close to 28,300, with no more than a 2,830 difference between the largest and smallest.

An online version of this map that allows you to zoom in and out for more detail is available as a link from the project website
