

City of Visalia Mapping Workshop #2 Agenda

City Council Redistricting

Monday, January 3, 2022 at 6:30 p.m.

Location: Visalia Emergency Communications Center (VECC)
420 N. Burke St., Visalia

- I. Welcome from Allison Mackey, Communications Manager
- II. Introduction of Maria Mejia-Ng, Radiant Valley Interpreting
- III. Introduction of Greg Mattis, GIS Analyst
- IV. Review of mapping tools available
- V. Demonstration of Dave's Redistricting digital mapping tool

***Please note, the deadline to submit maps for the Redistricting process is
January 20, 2022 at 5 p.m. PST.***

For those new to the process, we have been able to accept maps since late October, the tools at www.visalia.city/drawvisalia can be used to help facilitate the creation of a map, or community members can use their own methods from digital tools to drawing it on a napkin.

For those seeking assistance on the mapping tools, City of Visalia staff members will be available in-person during special Drop-In Map sessions prior to City Council meetings (dates included on the schedule on the flip side of this agenda).

Community members can also receive help by phone, by calling the City of Visalia GIS Division at (559) 713-435, Monday through Friday, 8 a.m. to 5 p.m.

For questions, Allison Mackey, Communications Manager at allison.mackey@visalia.city or (559) 713-4535.

Have a comment on the process? Please share with us! Submit written testimony, public comment, thoughts or suggestions to communityfeedback@visalia.city.
