Details:

Officers responded to a report of a residential burglary in progress on the 800 Blk of S Watson. Two callers stated a male subject smashed a window to an apartment and made entry. Officers arrived on scene within 2 minutes and witnesses stated the male was still inside. Several announcements for the male to exit went ignored. The door to the residence was breached. A K9 officer and his partner then provided additional announcements for the male to exit. Shortly after the K9 announcements were provided, the male subject cooperated with officers and exited the residence where he was taken into custody. The male subject was identified as Nathaniel Miranda. Miranda was transported to Kaweah Health Medical Center for treatment due to some minor cuts he received as a result of breaking and entering through the shattered window. He was then booked at the Tulare County Adult Pre-Trial Facility.
