What is the Accela Citizen Access (ACA) portal?

The City of Visalia is pleased to offer our citizens, businesses, and visitors an improved way to access Community Development services online, 24 hours a day, 7 days a week.

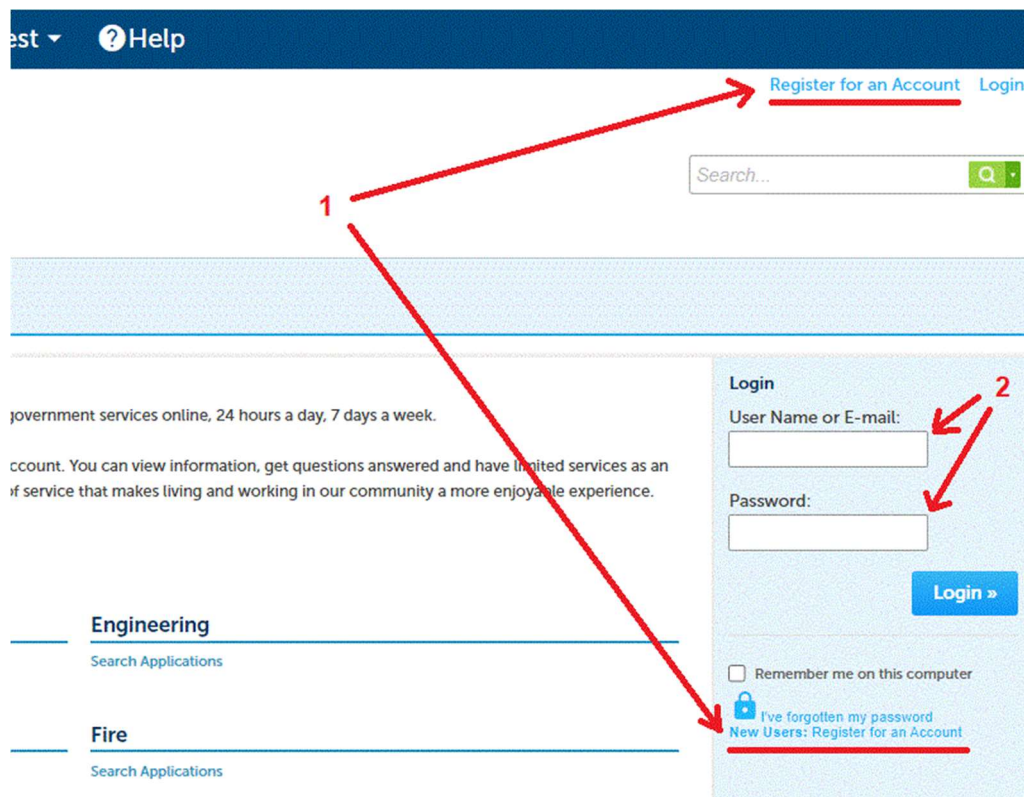

While we will be adding more services in the near future, this guide is particular to creating Site Plan Review (SPR) applications via ACA.

How to Access City of Visalia ACA

Please visit <https://cd.visalia.city/CitizenAccess> and enjoy a higher level of service that makes living and working in our community a more enjoyable experience. At this time, you can create Site Plan Review applications through the Citizen Access portal, look for additional building permit related features in the future. Major PC based web browsers are supported (IE, MS Edge, Google Chrome, Firefox).

In order to create and apply for ALL services available now and in the near future, you must register and create a user account. Without a user account, you can only view information, get questions answered and have limited services as an anonymous user.

To get started, register for an account by clicking on either of the two links for this purpose (1). Once you have created your username and password, you can login by entering your credentials in the main page (2), then click on the “Login” button.

Account Registration

- (1) Read and accept registration terms by checking box and clicking on Continue Registration button.
- (2) Select a user name, email, password, security question. Add contact information. Check box confirming you are not a robot.

General Overview of ACA

Once you login, you will be presented with:

1 Main Navigation menu: On the top of every page, you will see options to go to Home, Search for a record, create a New record, Request inspections, or get Help.

2 User info: Under the Main Navigation menu, you will see information about your login and options to manage your account or log out.

3 Divisions menu: You can click on any of the different divisions that provide online services, such as search for applications, schedule inspections, or create applications.

4 User Collections: This area will list all records you have grouped in collections.

5 Work in progress: This is a list of the last 10 records created by you.

The screenshot shows the ACA - SPR Application interface. At the top, there is a header with the Visalia logo and tagline 'The Gateway to the Sea'. Below this is a dark blue navigation bar with icons for Home, Search, + New, Request, and Help. A callout '1' points to this bar. To the right of the navigation bar, the user is logged in as 'Fitz Barrientos' with links for 'Collections (0)', 'Account Management', and 'Logout'. A callout '2' points to this user information area. Below the navigation bar is a 'Divisions menu' with tabs for Building, Engineering, Planning, and Fire. A callout '3' points to the 'Building' tab. Under the 'Building' tab, there are links for 'Search Applications' and 'Schedule an Inspection'. Below this is a personalized greeting 'Hello, Fitz Barrientos' with a callout '4' pointing to it. Underneath is a 'My Collection (0)' section with a 'View Collections' button. The main content area displays the message 'You do not have any collections right now.' Below this is a 'Work in progress' section with a 'View All Records' button. A callout '5' points to this section. At the bottom, there is a table with columns for Record Name, Record ID, Module, Creation Date, and Action. The table currently shows 'No records found'.

Creating a SPR Application

- (1) Click on the Engineering division menu, if you have created any records in the past they will be displayed under “Records”
- (2) Click on “Create an Application” option under the Engineering division menu

The screenshot shows the City of Visalia ACA interface. At the top, there is a navigation bar with the following items: Building, Engineering (highlighted with a red arrow and the number 1), Planning, and Fire. To the right of the navigation bar is a search box labeled "Search...". Below the navigation bar is a light blue banner with two buttons: "Create an Application" (highlighted with a red arrow and the number 2) and "Search Applications". Below the banner is a section titled "Records". Under "Records", it says "Showing 1-3 of 3 | Add to collection". There is a table with the following columns: Date, Record Number, Record Type, Description, Status, and Action. The table contains three rows of data:

<input type="checkbox"/>	Date	Record Number	Record Type	Description	Status	Action
<input type="checkbox"/>	08/25/2022	SPR22143	Site Plan Review	test	Documents Submitted to City

Step 5: Record Issuance

Your application has been successfully submitted.
Please print your record and retain a copy for your records.

Thank you for using our online services.
Your Record Number is SPR22159.

You will need this number to check the status of your application or to schedule/check results of inspections. Please print a copy of your record and post it in the work area.

A licensed professional is now authorized to proceed with work at the designated location.

Your record type requires a follow-up inspection once work is completed. You may schedule the inspection now or return to schedule the inspection upon completion of the work. Choose "View Record Details" to Schedule Inspections, check status, or make other updates.
