### Hurley Elementary School Threats Found to be Not Credible

This afternoon, VPD officers received information related to a verbal threat made by a 6th grade student at Hurley Elementary School.

The student told his friends he was going to bring a gun to school and shoot other students.

VPD officers immediately began an investigation. Officers interviewed the 6th grade student and conducted a search of the student's home. After a thorough investigation, officers determined the student's threats were found to be not credible.

There will be an increased law enforcement presence at Hurley Elementary School and throughout all VUSD campuses this week.

We would like to remind parents to please talk to your children about the serious consequences of making these types of threats. The safety of our children is our FIRST priority and anything that threatens that will not be tolerated. ALL threats will be taken seriously and those posting such threats will face serious consequences.
