Four Arrested, 23 Cited at VPD DUI Checkpoint

Last night, VPD officers conducted a DUI Checkpoint in the area of Mineral King Avenue and Bridge Street. Four people were arrested for driving under the influence and 23 were cited for driving with a suspended/revoked license or without a license.

DUI checkpoint locations are determined based on reported incidents of impaired driving-related crashes. The primary purpose of DUI checkpoints is to promote public safety by taking suspected impaired drivers off roads.

Funding for this checkpoint was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
