

# RELAX WHILE WE DRIVE

# SEE THE SIGHTS

Once you arrive at the Giant Forest Museum, located inside the park, you can hop on and off any one of the four complimentary in-park shuttles that travel to several popular destinations and trailheads. The in-park shuttles operate from 8 a.m.–6:30 p.m. Route maps for the internal shuttles can be found on SequoiaShuttle.com.

Each Sequoia Shuttle is spacious, offers comfortable seating and is air-conditioned. They also feature bike racks, luggage space, and are wheelchair accessible. During the short 1.5- to 2.5-hour trip, you'll be able to enjoy the sights leading up to the park, ask the friendly drivers questions about the park, and enjoy an informative video before reaching the Giant Forest Museum inside the park.
