### FOSTER CARE AGREEMENT

**Visalia Animal Services (VAS)** is a proud sponsor of this Foster Care Program.

Please read and sign below:

- I understand my responsibilities as a Foster Parent and have asked any questions I might have. I feel prepared to take on the role of Foster Parent.
- I understand that continued participation in the foster program depends on my cooperation with expectations presented to me and those terms and conditions as set forth in the “**VACC Foster Handbook**”.
- I agree to keep my foster animal well fed, watered, exercised and to act in compliance with the state of California’s anti-cruelty laws. I agree to abide by any feeding/animal care suggestions given to me by VAS.
- I understand that my foster pet will only be treated by a VAS authorized Veterinarian. I understand that I will not be reimbursed by VAS for any expenses incurred at a veterinary clinic. I must notify the Animal Services Coordinator or a VAS staff member immediately if I notice any symptoms of illness. I must notify and receive authorization from VAS prior to taking my foster pet to the veterinarian. I understand the shelter is not responsible for illness occurring or veterinary care required for foster parents’ own pets.
- If I decide to adopt the foster animal(s) as my own, I must finalize this when they become adoptable (2lbs, 8 weeks and spay/neutered). Otherwise, I will participate in the foster program’s process for finding an adopter (upon availability).
- I am willing to take my foster pet to monthly adoption events.
- I understand that my foster pet may not be handed over to anyone (or kept as my own pet) until the official adoption paperwork is complete and the spay/neuter surgery is done.
- I understand that some animals will not survive or may have to be euthanized, and that this decision is up to VAS.
- I am aware that the foster pets cannot be promised to family and friends unless they go through the usual shelter adoption process.
- I am aware that VAS is not responsible for any damage done by my foster pet(s) to any of my property, pets or items not listed in this contract.
- I understand that tending to the safety of foster pet(s) includes never allowing young children unsupervised access to the foster pets, never letting any unrestrained animal near foster pets unless the animal is extremely reliable and preventing all escape routes.
- I agree to contact the Animal Services Coordinator or VAS staff member whenever I have concerns or there is a change, including biting, extreme lethargy, loss of appetite, breathing difficulty, green nasal secretions, lack of weight gain, mouth breathing, sudden behavior changes, etc., death or escape of your foster pet(s).
- I agree to permit on-site premise visits by a VAS representative if necessary.
- If I am renting, I have approval from my landlord to have pets and can provide proof if asked.
- I acknowledge that all of the above information is accurate and truthful and that I am 18 years of age or older.

By signing below, you agree to comply with the policies of VAS and the expectations of the Foster Care Program.
