**Joint DUI Saturation Operation Nets 22 Arrests, Enhancing Community Safety**

The Visalia Police Department and the California Highway Patrol conducted a collaborative DUI enforcement detail on March 14, 2025, resulting in 22 DUI arrests and two arrests for reckless driving.

“We are committed to taking impaired drivers off the road,” said Sergeant Henry Martinez. “Driving under the influence is not only dangerous but also has major consequences.”

In addition to this operation, the Visalia Police Department conducted a DUI saturation patrol on St. Patrick’s Day, Monday, March 17, 2025, which resulted in four DUI arrests.

The Visalia Police Department and the California Highway Patrol will conduct additional collaborative operations to combat DUI and impaired driving, prioritizing roadway safety and preventing dangerous incidents before they occur.

Both operations were funded by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
