

CONSTRUCTION & DEMOLITION RECYCLING PROGRAM REGULATIONS

California State Law, CalGreen Building Code, and City of Visalia Construction and Demolition (C&D) Ordinance No. 2005-24 establish regulations for mandatory waste diversion requirements for construction and demolition projects.

The City of Visalia is required to divert a minimum of 65% waste from landfills.

Many of the (C&D) debris may be successfully diverted through recycling or reuse.

Contractors working on non-covered projects are encouraged to divert materials from construction and demolition projects to the maximum extent.

DIVERSION REQUIREMENTS

Inert Materials - 100% diversion required.

All Other Materials - at least 65% diversion required

HOW TO COMPLY

- Complete the C&D Debris recycling and Reuse Application Form.
- Contact Visalia Solid Waste Department at (559) 713-4558 for all C&D debris hauling within the City of Visalia.
- For self-haulers, identify your construction debris as C&D to the vendor or the landfill gate attendant.
- Obtain a weight ticket for the delivered material.
- Attach the weight ticket to the C&D Recycling Plan application.
- Submit all weight tickets and completed forms to the Visalia Public Works Dept. (336 N. Ben Maddox Way), before requesting a final for your project.

OTHER DISPOSAL SOLUTIONS

City of Visalia: 713-4428
336 N. Ben Maddox Way

- West Coast Sand & Gravel Inc.: 802-1150
7715 Ave. 296, Visalia

C & D CONSTRUCTION AND DEMOLITION RECYCLING PROGRAM

City of Visalia
BUILDING DEPARTMENT
(559)-713-4444
Jan 2021

CONSTRUCTION & DEMOLITION

DEBRIS DIVERSION

Every construction and demolition permit involving a covered project shall fill out a C&D Recycling Plan Application and submit it to the City of Visalia Building Department (315 E. Acequia) along with building plans.

Submit a completed C&D Debris Recycling and Reuse Plan along with weight tickets and receipts to the City of Visalia Public Works Department (336 N. Ben Maddox Way) before the project is finalized.

KEEP ALL RECYCLING, C&D, AND LANDFILL RECEIPTS

All landfill tickets must have the permit number and construction site address written on them. These receipts need to be submitted in a timely manner to avoid permitting delays, and are necessary for the mandatory C&D Debris Recycling and Reuse Plan compliance report which must be submitted to the Building Official within 30 days of project final.

- Applicants may self-haul C&D materials to any permitted C&D Recycling Facility (listed).
- Self-haulers MUST advise the landfill gate attendant that they are disposing of covered C&D material or landfill waste in order to receive the required C&D debris weight ticket/receipt.
- If the applicant is not able to or chooses not to self-haul, the applicant must use a certified hauler to transport all C&D materials within the City of Visalia limits if the applicant is disposing of covered C&D material or landfill waste in order to receive the required C&D debris weight ticket/receipt.

COVERED PROJECT MATERIALS

Used or commonly discarded materials generally considered to be not water soluble and non-hazardous in nature, including but are not limited to:

- Asphalt shingles (W.C. Sand & Gravel)
- Asphalt, concrete, shotcrete, and other masonry building materials including brick, rock, and stone
- Cardboard
- Glass
- Gypsum drywall
- Plastic pipes and buckets
- Hardiplank siding and boards
- Job Office Materials: Paper, bottles, cans, plastic
- Metals such as rebar, pipes, siding, window frames, door frames, or fences
- Pallets
- Rigid or fiberglass insulation
- Salvageable materials and structures including doors, window fixtures, light and plumbing fixtures, hardwood flooring, sinks, bathtubs, and appliances
- Vegetation including trees, shrubs, stumps, logs, or brush. (Excluded vegetation: bamboo, palm fronds, cactus, and yucca. Place these plant materials in the trash.)
- Wood that is not chemically treated, CCA pressure treated, painted, or stained

PROJECTS THAT MUST RECYCLE C&D DEBRIS

The information below reflects the January 1, 2014 requirements. Remember, this is not a complete list of requirement. Contact the Visalia Building Department and/or CALGreen for more information.

NON-RESIDENTIAL COMPLIANCE (5.408)

- A new commercial construction.
- All Commercial demolition.
- Additions equal to or greater than 1,000 sq.ft.
- Alterations equal to or greater than \$200,000.
- Isolated Job sites - alternate waste reduction methods may apply (Exceptions to 5.408.1.1 & 5.408.1.2)
- 65% or more C&D Waste Diversion, or less than 2 lbs. per sq.ft. (5.408.1) disposal and may be required to submit a construction waste management plan or utilize a waste management company.
- Tier 1 (Voluntary, A5.408.3.1)
Equal to or greater than 65% C&D Waste Diversion
- Tier 2 (Voluntary, A%.408.1.1)
Equal to or greater than 80% C&D Waste Diversion

RESIDENTIAL COMPLIANCE

- All new residential construction.
- All residential additions and alterations.
CalGreen Section 3001.1 applies to additions or alterations of existing residential buildings where the addition or alteration increases the building's conditioned area, volume, or size. Applies only to and/or within the specific area of addition or alteration.
- All residential demolition.
- Low-rise 3 stories or more - Minimum 65% or more C&D Waste Diversion or less than or equal to 4 lbs./sq.ft.
- High-rise 4 stories or more - Minimum 65% or more C&D Waste Diversion or less than or equal to 2 lbs./sq.ft. disposal and may be required to submit a construction waste management plan or utilize a waste management company.
Tier 1 (Voluntary) Equal to or greater than 65% C&D Waste Diversion
Tier 2 (Voluntary) Equal to or greater than 75% C&D Waste Diversion

CITY SPONSORED CONSTRUCTION

- All new residential, multi-family, or commercial construction.
- All demolitions and renovations equal to or greater than 1,000 sq.ft
- All public works and construction projects awarded pursuant to the city's competitive bid.

APPLICANT MUST SUBMIT ALL WEIGHT TICKETS/RECEIPTS IN A TIMELY MANNER TO RECIEVE A PROJECT FINAL.

- Projects that qualify under City of Visalia's C&D Ordinance and CalRecycle's Green Code must submit all disposal weight tickets from every vendor or facility that collected, transported, or received any project C&D debris.
- Submit the completed C&D Debris Recycling and Reuse Plan along with the weight tickets/receipts to the Public Works Department at 336 N. Ben Maddox Way.
- The applicant is responsible for ensuring the recycling requirements are met for all waste generated onsite, including waste generated by contractors and subcontractors.
- Failure to accurately account for and submit the required documentation for all debris as identified in the final compliance report is a violation of the City of Visalia C&D Ordinance and may result in a penalty of up to 15% of the cost of the project or \$50,000.00, whichever is greater as well as cause potential delays of the project final.

CERTIFIED HAULER

City of Visalia - 713-4428
336 N Ben Maddox Way

Permitted Haulers

- AD&J Rolloff Dumpster Service
- All Waste Systems, Inc.
- Allied / Republic Services
- Bryan Company
- Central Valley Rolloff & Recycling
- F-N-F (Fernando Leanos)
- Gilton Solid Waste Management Inc.
- Industial Waste (Orange Ave. Disposal)
- Martin Trucking
- Peña's Disposal
- 84 Recycle
- Midvalley Disposal
- Tulare County RollOff
- Waste Connections
- Waste Management
- W.C. Sand & Gravel

REMINDER:

Self-haulers must advise the landfill or transfer station gate attendant that they are disposing of C&D Debris

Visalia Landfill - 624-7195
8614 Avenue 328 at Road 80 (Alta)

OPEN: Mon-Fri...7am - 4pm, Sat...8am - 4pm

Accepts co-mingled C&D Materials

CLOSED on Sundays, New Years Day, Memorial Day, 4th of July, Labor Day, Thanksgiving and Christmas Day.
